Thefts & Burglaries

- Thefts and Burglaries remain Dublin's #1 crimes
- Burglaries and thefts are down again this year so far
  - Thefts: Down 8% Burglaries: Down 26%
- These crimes remain a top focus of the Division of Police
- Thefts and Burglaries are overwhelmingly still *Crimes of Opportunity*

Crimes of Opportunity

- Almost half of all residential burglaries occur with no forced entry.
- A majority of forced entry residential burglaries (42% of all burglaries) did not have an alarm or had an alarm but did not have it turned on
- Only 6% of residential burglaries occur through an open garage door.
- Although the majority of thefts from vehicles involved forced entry, vast majority were of items left in ***plain view***

Historical Crime Pattern Comparisons

Since 2007…

- TFV's are down 25%
- Burglaries and B&E's are down 35%
- Total thefts are down 27%
  (2012 FBI UCR statistics)

UCR Crime Stats:

- Lowest Part I crime rate of similar area suburbs
- 2nd lowest crime rate for cities of 25,000 or more in Ohio
- Top 10 (4th) safest suburb in U.S.

Prevent Burglaries

- Close and lock garage doors…**ALWAYS!!!**
- Lock all doors and windows
- Purchase, use and advertise your alarm system
- Use timers to turn on/off lights when not home
- Install high quality locks
- Lock the walk-in door from the garage into the home
- Do not leave a garage door opener in a vehicle parked in the driveway or on the street
- Ask neighbors to look out for one another

Prevent Thefts from Vehicles

1. **Increase the risk for the offender by…**
   - Installing a car alarm, and using it
   - Parking vehicles in well-lit areas with an unobstructed view
   - Parking near obvious video or camera surveillance
   - Calling police if you see suspicious activity
2. **Increase the effort for the offender by…**
   - Locking car doors
   - Rolling up windows
3. **Reduce the reward for the offender by…**
   - **Never Leaving Valuables Visible Inside Your Vehicle!!!**
