

Legacy Tree Program

Leaving a Legacy

The City of Dublin's Legacy Tree program allows families and friends to leave a lasting, living memorial or recognition to loved ones in the form of a tree and plaque.

Who may participate in this program?

The City of Dublin's Legacy Tree Program provides residents an opportunity to recognize important occasions such as anniversaries, weddings, births and retirements, as well as to memorialize the loss of a loved one.

Where can a Legacy Tree be planted?

Legacy trees are typically planted within City of Dublin parks and open spaces. Most parks are eligible. City staff will work with those purchasing the tree to determine an appropriate location and species of tree. Planting is stressful on the tree. Legacy tree plantings are held in the spring or fall to give the trees the best chance of survival.

What does the fee cover?

The current cost is \$500 for a 1.75-inch caliper tree and 6-by-9-inch bronze cast plaque. The City reviews the cost of services periodically. Call 614-410-4700 for current fees.

Who will care for the tree?

The City of Dublin will plant, mulch, water and prune the tree, as necessary.

What can be written on the plaque?

The City has specific standards that ensure uniformity of the 6 x9-inch bronze cast plaques. No logos or artwork are permitted. The plaques allow for a maximum of 54 uppercase letters, including spaces. The City reserves the right to refuse submissions it deems inappropriate.

Application

**Requested inscription
(54 letters and spaces maximum):**
