Camp Overview

Join us as we explore life at the zoo! The Bricks4Kidz curriculum introduces developmentally appropriate concepts such as counting and patterning, recognizing colors and shapes, and more. Each day we build animals and structures out of DUPLO® bricks based on the alphabet and all things you find at the zoo. Come help us build elephants, ducks, giraffes and more!

Expectations for Parents

Parents need to complete and submit a 2013 Health Care Form for their child by June 1. Parents are expected to drop off their child five minutes before the program and pick up promptly at noon. A picture ID is required to pick up your child. Anyone picking up a child from the Preschool LEGO® Camp must be listed on the child's Health Care Form.

Camp Fees/Dress/What to bring

The program fee is $167 for Residents and $184 for School District & Non-Residents. Children should dress appropriately for the summer weather. All participants receive a Bricks4Kidz t-shirt and an email link to pictures taken throughout the camp week.
