Re: Ordinance 43-13 – Authorizing the Acquisition of Property Interests from Jerry Garland Spears III and Marsha M. Spears

Background

The City of Dublin ("City") is preparing to construct intersection improvements and associated pedestrian facilities at the intersection of Brand Road and Coffman Road (the "Project"). The City must obtain property interests from various landowners located within the area of the Project in order to construct this project. The City presented offers, based upon appraisals, to each of these landowners.

One of the landowners that the City must obtain property interests from for the construction of the Project is Jerry Garland Spears III and Marsha M. Spears (the "Grantor"). After engaging in amicable negotiations, the City has come to an agreement with the Grantor to acquire these necessary property interests, pursuant to the terms outlined in this memorandum.

Acquisition

The City will acquire from the Grantor only those property interests necessary for the construction of the Project as depicted in the legal descriptions and maps attached to this memorandum. The City will acquire these property interests for approximately 5% above appraised value. The acquisition is detailed below:

<i>Property Interest Acquiring</i>	<i>PROPOSED ACRES</i>	<i>APPRAISED COST</i>	<i>AGREED PURCHASE PRICE</i>
Present Road Occupied (P.R.O.)	0.184	\$1	\$1
Right of Way	0.096	\$6,499	\$6,824
Temporary Construction and Grading Easements	0.009 0.028	\$100 \$300	\$105 \$315
Vegetation/Natural Growth Being Removed		\$8,000	\$8,400
Total		\$14,900	\$15,645

In addition, the City will replace eleven mature evergreens that are being removed as part of this Project.

Recommendation

Ordinance 43-13 authorizes the City Manager to execute all necessary conveyance documentation to formally acquire the necessary property interests described above. Staff recommends approval of Ordinance 43-13 by emergency at the second reading/public hearing on June 10, 2013 as obtaining the property interests is necessary for the furtherance of this Project.
