**Re: Ordinance 45-13 - Economic Development Agreement with JPMorgan Chase & Co.**

## Background

Staff has been in discussions with JPMorgan Chase & Co. (JPMC) regarding its newest job creation project for central Ohio. The company plans to grow its regional headcount by 500 employees and desires additional square footage in the region marketplace. The company's existing facilities in central Ohio currently cannot absorb an additional 500 new jobs.

The company plans to hire and move approximately 500 employees into the 5900 Parkwood Place (165,000-SF facility) between July and October 2013. The State of Ohio Tax Credit Authority also will be voting on a tax credit package in late May for this job creation project.

The Economic Development Agreement proposed by the City to the company includes a \$40,000 Location Grant and a two-year performance incentive of 15% for a three-year lease (July 2013-July 2016), with an additional two-year performance incentive of 15% if a minimum, additional three-year lease extension (July 2016-July 2019) is executed.

The annual performance incentive includes cap payments; and along with the Location Grant, the proposed incentive package could total \$465,000 over six years. Based on JPMC's payroll projections, it is estimated the City will receive approximately \$3.1 million in income tax withholding revenue over the term of this project.

JPMorgan Chase & Co. is a leading global financial services firm with assets of \$2.4 trillion and operations in more than 60 countries. The firm is a leader in investment banking, financial services for consumers, small business and commercial banking, financial transaction processing, asset management and private equity. A component of the Dow Jones Industrial Average, JPMorgan Chase & Co. serves millions of consumers in the United States and many prominent corporate, institutional and government clients under its J.P. Morgan and Chase brands.

## Recommendation

Staff recommends Council approval of Ordinance 45-13 at the second reading/public hearing on June 10, 2013. Please contact Colleen Gilger with any questions.

### RECITALS:

WHEREAS, consistent with its Economic Development Strategy (the “*Strategy*”) approved by Dublin City Council Resolution No. 07-94 adopted on June 20, 1994, and the updated Strategy approved by Dublin City Council Resolution No. 30-04 adopted on July 6, 2004, the City desires to encourage commercial office development and create and preserve jobs and employment opportunities within the City; and

WHEREAS, based on the results of the Company’s recent comprehensive examination of workforce needs, and induced by and in reliance on the economic development incentives provided in this Agreement, the Company desires to locate an office and associated operations and workforce within the City; and

WHEREAS, pursuant to Ordinance No. 45-13 passed on \_\_\_\_\_, 2013 (the “*Ordinance*”), the City has determined to offer the economic development incentives described herein to induce the Company to lease a facility within the City for the location of an office and associated operations and workforce within the City, which will result in the creation of new jobs and employment opportunities to improve the economic welfare of the people of the State of Ohio and the City, all as authorized in Article VIII, Section 13 of the Ohio Constitution; and

WHEREAS, the City and the Company have determined to enter into this Agreement to provide these incentives in order to induce the Company to lease a facility and locate associated operations and workforce, all within the City;

NOW THEREFORE, the City and the Company covenant, agree and obligate themselves as follows:

Section 1. Company’s Agreement to Lease a Facility and Locate Associated Operations and Workforce Within the City. In consideration for the economic development incentives to be provided by the City herein, the Company agrees that it will lease a facility within the City for the location of an office and associated operations and workforce within the City, all consistent with the terms of this Agreement. The Company expects to create five hundred (500) new employee positions within the City by October 31, 2013. The average annual wage of these new employees is estimated to be Fifty Thousand Dollars (\$50,000), with total estimated payroll withholdings of approximately Two Million Four Hundred Thousand Dollars (\$2,400,000) over the term of this Agreement. The Company agrees that the City’s obligations to remit payments pursuant to Section

2 of this Agreement shall be contingent upon (a) the Company delivering to the City a fully executed copy of an agreement evidencing the Company's lease of a facility within the City (expected to be located at Parkwood II at 5900 Parkwood Place) for a period of at least three (3) years (with such lease term commencing on or about July 1, 2013) (the "*Lease*") and (b) such other conditions as are set forth in Section 2.

Section 2. City Agreement to Provide Incentives.

(a) General. In consideration for the Company's agreement to execute the Lease for the location of an office and associated operations and workforce within the City, the City agrees to provide economic development incentives to the Company in accordance with this Section.

(b) Location Incentive.

(i) Incentive Payment to the Company. The Company agrees to execute the Lease and locate an office and associated operations and workforce, all within the City. In consideration of the Company's agreement to execute the Lease and to locate that office and create additional employment opportunities within the City, the City agrees to provide to the Company a Location Incentive (the "*Location Incentive*") in the aggregate amount of Forty Thousand Dollars (\$40,000), payable to the Company within thirty (30) days following the occurrence of (A) the Company's execution of the Lease and provision to the City of documentation in support thereof and (B) the location of an office and associated operations and workforce within the City in a manner consistent with this Agreement.

(ii) Forfeiture of Right to Receive Incentive Payments. The Company agrees and acknowledges that the Location Incentive provided for in subsection 2(b)(i) is being made by the City to the Company in consideration for the Company's agreement to execute the Lease and locate an office and associated operations and workforce within the City and to create additional employment opportunities, all within the City. The Company further agrees that if the requirements of subsection 2(b)(i) are not satisfied, the City shall not be obligated to remit the Location Incentive to the Company as required by this subsection 2(b).

(c) Workforce Creation Incentive.

(i) Calculation of Actual Payroll Withholding Taxes. On or before March 31 of each of the years 2015 and 2016, and provided the requirements of subsection 2(c)(v) are satisfied, also on or before March 31 of each of the years 2017 and 2018, the City shall calculate the actual payroll withholding taxes collected and received during the then preceding calendar year and in respect of that preceding calendar year by the City from all Employees (as defined below). For purposes of that calculation, the Company acknowledges and agrees that the total amount of actual payroll withholding taxes in respect of any calendar year shall be determined based solely upon the amount of payroll withholding tax payments actually received by the City from the Company during that calendar year. The Company agrees that the determination of whether to include in such calculation any amount received by the City in respect of any calendar year but following

the conclusion of that calendar year, shall be solely within the discretion of the City. For purposes of this Section 2, “Employees” shall include only those individuals employed by the Company and working within the City.

(ii) Information Relating to Employees. The Company agrees that, in accordance with the Dublin City Code, the annual payroll reconciliation and related W-2 forms relating to its Employees will be provided to the City prior to February 28 of each calendar year.

(iii) Annual Incentive Payments to the Company. If the actual payroll withholding taxes collected and received by the City pursuant to subsection 2(c)(i) during the then preceding calendar year and in respect of that preceding calendar year from all Employees, net of refunds (such amount being referred to as the “Actual Withholdings”), equal or exceed the Target Withholdings (as defined in subsection 2(c)(iv)) for that preceding calendar year, the City shall, on or before April 15 of the then current calendar year, pay to the Company, solely from nontax revenues (as defined in subsection 2(e)), an amount equal to the product of (A) an amount equal to the Actual Withholdings, multiplied by (B) fifteen percent (15%) (with each such product being referred to as an “Annual Incentive Payment”); *provided, however*, that (1) the City shall not be required pursuant to this subsection 2(c) to remit an Annual Incentive Payment to the Company in excess of the Annual Cap (as defined in subsection 2(c)(iv)) in any calendar year, and (2) the aggregate amount of all Annual Incentive Payments remitted pursuant to this subsection 2(c) by the City to the Company shall not exceed Two Hundred Twenty-Five Thousand Dollars (\$225,000) and if the requirements of subsection 2(c)(v) are satisfied, the aggregate amount of all Annual Incentive Payments remitted pursuant to this subsection 2(c) by the City to the Company shall not exceed Four Hundred Twenty-Five Thousand Dollars (\$425,000).

(iv) Target Withholdings and Annual Cap. The Target Withholdings and Annual Cap for each of the calendar years 2014 through 2017 shall be:

<u>Calendar Year</u>	<u>Target Withholdings</u>	<u>Annual Cap</u>
2014	\$ 524,800	\$ 110,000
2015	551,578	115,000
2016*	579,367	100,000
2017*	608,201	100,000

\* Payments in respect of calendar years 2016 and 2017 are also subject to subsection 2(c)(v).

(v) Bonus Annual Incentive Payment and Related Annual Cap. The City agrees that if the Company provides to the City on or before December 31, 2015 a fully executed copy of an agreement which either (A) extends the Lease for a minimum additional term of three (3) years or (B) obligates the Company to a lease space at another location within the City for a minimum additional term of three (3) years, then the Company shall be eligible to receive a Bonus Annual Incentive Payment in respect of calendar years 2016 and 2017 which will be calculated at the same time and in the same manner as described in subsection 2(b)(iii) and paid in accordance with this Section 2; *provided* that the Bonus Annual Incentive Payment shall be subject to an Annual Cap (as defined in subsection 2(b)(iv)) in each such calendar year.

(vi) Forfeiture of Right to Receive Workforce Creation Incentive Payment. The Company agrees and acknowledges that Annual Incentive Payments provided for in subsection 2(c) are being made by the City to the Company in consideration for the Company's agreement to execute the Lease for the location of an office and associated operations and workforce within the City and to create additional employment opportunities, all within the City. The Company further agrees that if the Target Withholdings requirement is not met for any given calendar year as set forth in subsection 2(c)(iv), the City shall not be obligated to make an Annual Incentive Payment to the Company for the calendar year in respect of which the Target Withholdings requirement was not satisfied. Failure to satisfy the Target Withholdings requirement in respect of any one calendar year does not prohibit the Company from receiving an Annual Incentive Payment for any subsequent calendar year in respect of which the Target Withholdings requirement is satisfied. Subject to subsection 2(b)(v), failure to satisfy the Target Withholdings requirement in respect of any one calendar year does not prohibit the Company from receiving the Bonus Annual Incentive Payments described in subsection 2(b)(v).

(d) Method of Payment. The payments to be paid to the Company as provided in this Section 2 shall be made by the City to the Company by checks payable to the Company or by such other manner as is mutually agreed to by the City and the Company.

(e) City's Obligation to Make Payments Not Debt; Payments Limited to Non-Tax Revenues. Notwithstanding anything to the contrary herein, the obligations of the City pursuant to this Agreement shall not be a general obligation debt or bonded indebtedness, or a pledge of the general credit or taxes levied by the City, and the Company shall have no right to have excises or taxes levied by the City, the State or any other political subdivision of the State for the performance of any obligations of the City herein. Consistent with Section 13 of Article VIII, Ohio Constitution, any payments or advances required to be made by the City pursuant to this Section 2 shall be payable solely from the City's non-tax revenues. Further, since Ohio law limits the City to appropriating monies for such expenditures only on an annual basis, the obligation of the City to make payments pursuant to this Section 2 shall be subject to annual appropriations by the City Council and certification by the Director of Finance of the City as to the availability of such non-tax revenues. For purpose of this Agreement, "*nontax revenues*" shall mean, all moneys of the City which are not moneys raised by taxation, to the extent available for such purposes, including, but not limited to the following: (i) grants from the United States of America and the State; (ii) payments in lieu of taxes now or hereafter authorized to be used for the purposes by State statute; (iii) fines and forfeitures which are deposited in the City's General Fund; (iv) fees deposited in the City's General Fund from properly imposed licenses and permits; (v) investment earnings on the City's General Fund and which are credited to the City's General Fund; (vi) investment earnings of other funds of the City that are credited to the City's General Fund; (vii) proceeds from the sale of assets which are deposited in the City's General Fund; (viii) rental income which is deposited in the City's General Fund; and (ix) gifts and donations.

(b) Binding Effect. The provisions of this Agreement shall be binding upon the successors or assigns of the Parties.

(c) Captions. The captions and headings in this Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections of this Agreement.

(d) Day for Performance. Wherever herein there is a day or time period established for performance and such day or the expiration of such time period is a Saturday, Sunday or legal holiday, then such time for performance shall be automatically extended to the next business day.

(e) Economic Development Assistance Certification. The Company has made no false statements to the City in the process of obtaining approval of the incentives described in this Agreement. If any representative of the Company has knowingly made a false statement to the City to obtain the incentives described in this Agreement, the Company shall be required to immediately return all benefits received under this Agreement pursuant Ohio Revised Code Section 9.66(C)(2) and shall be ineligible for any future economic development assistance from the State, any State agency or a political subdivision pursuant to Ohio Revised Code Section 9.66(C)(1). The Company acknowledges that any person who provides a false statement to secure economic development assistance may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by a fine of not more than \$1,000 and/or a term of imprisonment of not more than six months

(f) Entire Agreement. This Agreement constitutes the entire Agreement between the Parties on the subject matter hereof and supersedes all prior negotiations, agreements and understandings, both written and oral, between the Parties with respect to such subject matter. This Agreement may not be amended, waived or discharged except in an instrument in writing executed by the Parties.

(g) Events of Default and Remedies. Except as otherwise provided in this Agreement, in the event of any default in or breach of this Agreement, or any of its terms or conditions, by any Party hereto, such defaulting Party shall, upon written notice from any non-defaulting Party, proceed immediately to cure or remedy such default or breach, and, in any event, within thirty (30) days after receipt of such notice. In the event such default or breach is of such nature that it cannot be cured or remedied within said thirty (30) day period, then in such event the defaulting Party shall upon written notice from any non-defaulting Party commence its actions to cure or remedy said breach within said thirty (30) day period, and proceed diligently thereafter to cure or remedy said breach. In case such action is not taken or not diligently pursued, or the default or breach shall not be cured or remedied within a reasonable time, the aggrieved non-defaulting Party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or

breach, including, but not limited to, proceedings to compel specific performance by the defaulting Party.

(h) Executed Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to constitute an original, but all of which together shall constitute but one and the same instrument. (i) Extent of Covenants; No Personal Liability. All covenants, obligations and agreements of the Parties contained in this Agreement shall be effective to the extent authorized and permitted by applicable law. No such covenant, obligation or agreement shall be deemed to be a covenant, obligation or agreement of any present or future member, officer, agent or employee of the City or the Company other than in his or her official capacity, and neither the members of the legislative body of the City nor any official executing this Agreement shall be liable personally under this Agreement or be subject to any personal liability or accountability by reason of the execution thereof or by reason of the covenants, obligations or agreements of the City and the Company contained in this Agreement.

(j) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio without regard to its principles of conflicts of laws. All claims, counterclaims, disputes and other matters in question between the City, its agents and employees, and the Company, its employees and agents, arising out of or relating to this Agreement or its breach will be decided in a court of competent jurisdiction within Franklin County, Ohio.

(l) Limit on Liability. Notwithstanding any clause or provision of this Agreement to the contrary, in no event shall City or the Company be liable to each other for punitive, special, consequential, or indirect damages of any type and regardless of whether such damages are claimed under contract, tort (including negligence and strict liability) or any other theory of law.
