

**To:** Members of Dublin City Council  
**From:** Marsha I. Grigsby, City Manager   
**Date:** June 6, 2013

**Initiated By:** Sara Ott, Sr. Project Manager

**Re:** Resolution 34-13 – Intent to Appropriate a 0.201 Acres, More or Less, Fee Simple Interest of Which 0.178 Acres, More or Less, is Present Road Occupied, and a 0.036 Acres, More or Less, Temporary Construction Easement from Jon L. Reynolds and Colleen M. Reynolds.

**Background**

The City of Dublin ("City") is preparing to construct intersection improvements and associated pedestrian facilities at the intersection of Brand Road and Coffman Road (the "Project"). The City must obtain property interests from various landowners located within the area of the Project in order to construct this project. The City presented offers, based upon appraisals, to each of these landowners.

One of the landowners that the City must obtain property interests from for the construction of the Project is Jon L. Reynolds and Colleen M. Reynolds (the "Grantor"). After multiple attempts to engage in negotiations with the Grantor, it appears that the City may be forced to appropriate the needed property from the Grantor.

The City is still hopeful that an amicable resolution can be reached with the Grantor; however, this Resolution begins the eminent domain process in the event that negotiations are unsuccessful.

**PROPERTY TO BE APPROPRIATED:**

The appropriation consists of the following property interests, as depicted in the map attached hereto:

Franklin County Parcel No. 270-000292-00	
Parcel 8-WD (Fee Simple)	0.201 ± acres
(Present Road Occupied)	(0.178 ± acres)
Temporary Easement	0.036± acres

**Recommendation**

Staff recommends approval of Resolution 34-13 as the construction of the Project is necessary for public safety.
