

City of Dublin:

Required Supporting Documentation to Application for Wireless Communication Facility

Wireless Telecommunications Facilities

Site: CB03XC025 / 5777 Shier Rings Road, Dublin, Ohio 43002

1. Application fee in the amount of \$1,835.00;
2. CD containing copies of submitted materials;
3. Signed and Notarized Administrative Review Application Form
4. Property Survey – Contained in Engineer Drawings
5. There are no other property owners within 300 feet of this existing cell tower.
6. Application Statement: This is an existing Sprint Wireless Telecommunication Facility Network Vision Equipment Upgrade. The existing tower is a 180' Self Support Tower. This proposal is to do an upgrade to the antennas, equipment cabinet and remove and replace cables with fiber optic.
7. This proposal is only an upgrade. No new tower construction is proposed.
8. Emergency Contact Information:
Tower Owner – SBA Properties, LLC – Edward G. Roach – 561.995.7670
9. This is an existing tower upgrade not a new tower construction. No other existing tower information is being provided.

Site Plans / Landscape / Elevations / Materials

1. Attached Engineering Drawings are provided which detail the proposed remove and replace plans and the equipment.

Thank you,

Jeffrey D. Haines JD / Agent – Representative
