Re: Lochslee Entry

Dear Ms. Faust:

The Muirfield Design Control Committee has reviewed your request to upgrade the entry sign at the Lochslee area. The request is approved. The committee understands a new stone sign will be constructed, per the drawing submitted. The sign will be completed with landscaping and low-wattage lighting. This should be a very nice complement to your neighborhood!

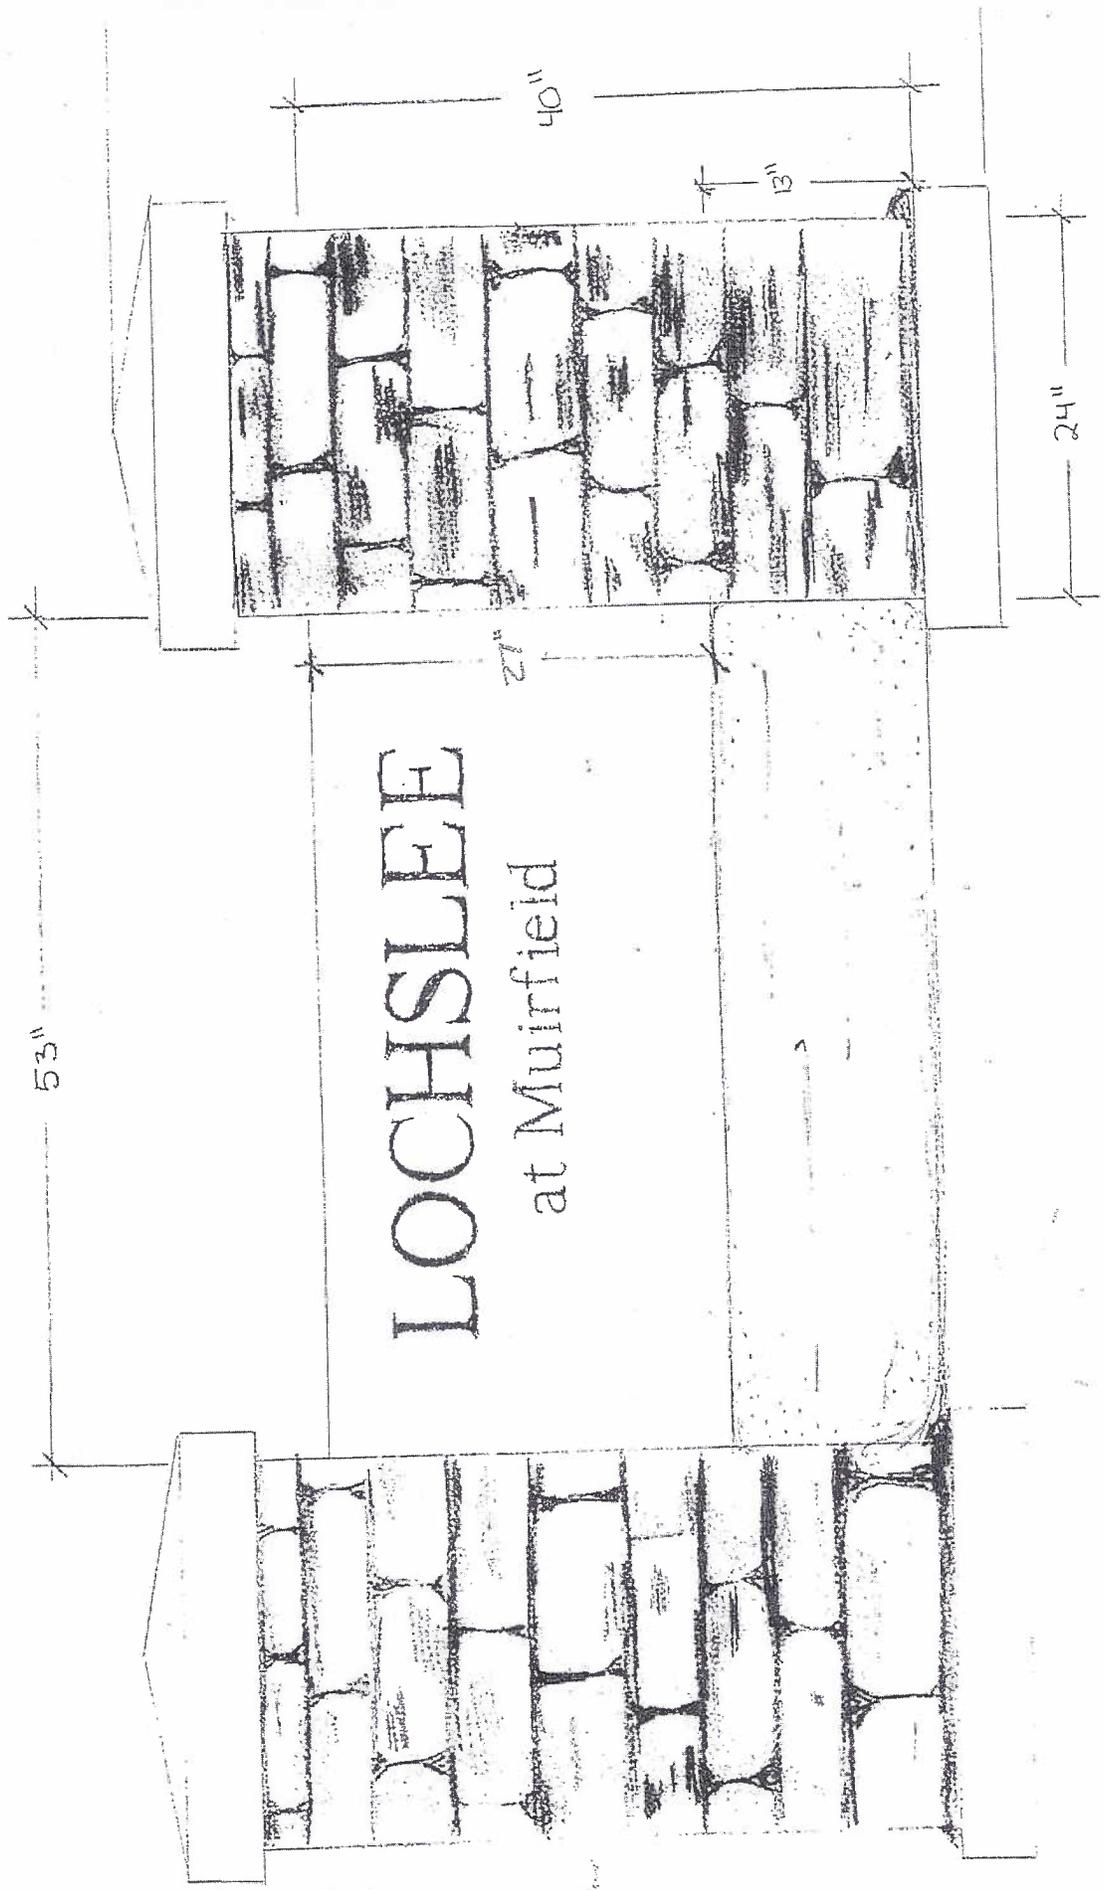

Please be advised that final grading of all impacted areas must accommodate proper drainage.

No deviation from the approved plan is permitted without the committee's written consent.

Sincerely,

A handwritten signature in cursive script that reads "Walter Zeier". The signature is written in dark ink and is positioned above the printed name.
