RE: Fee Waiver – 4.6± acres – Nature Drive

Dear Members of Council:

I am requesting a waiver of the annexation for the filing of the 4.6± acre tract located off Nature Drive. The subject property is located in a small pocket of land that remains in Washington Township that is encircled by the City of Dublin. The annexation of the ground will reduce the amount of Township area east of Coffman Road and south of Brand Road. It is my understanding that it is the City's policy to waive the annexation fee in instances where pockets of Township areas within the City's existing boundaries, so on behalf of the owner of the property I hereby request that the annexation fee be waived as the proposed annexation meets the City's policy criteria. Thank you for your consideration of the waiver request and look forward to determination of the request.

Very truly yours,
