

150.160 CONTAINMENT OF AND LIMITATION UPON CONSTRUCTION NOISE.

(A) Construction operations may only occur between the hours of 7:00 a.m. and 9:00 p.m. All equipment must be operated in accordance with the manufacturer's specifications and with all standard manufacturer's mufflers and/or noise-reducing equipment in use and in proper operating order.

(B) Upon written request by the applicant, the City Manager, or the City Manager's designee, shall have the authority to extend the hours under which construction may occur, if the City Manager or his designee determines such an extension to be reasonable.

(C) Whoever violates this section is guilty of failing to contain construction noise, a minor misdemeanor. Each day such offense is committed or continued shall constitute a separate offense and shall be punishable as such. Citations shall be issued to a person, firm or corporation and/or individual present at the time of such offense.
