Re: Ordinance 01-14 - Accepting the Annexation of 4.6 Acres, More or Less, in Washington Township, Franklin County to the City of Dublin (Petitioner: Jackson B. Reynolds, III, agent for Petitioner Jay B. Eggspuehler, 7250 Coffman Road) (Case No. 13-098 ANNEX)

Summary

The proposed annexation is for 4.65 acres and includes no right-of-way. Per the Ohio Revised Code regarding annexations, the City of Dublin is required to provide resolutions stating what services the municipality will provide and that the City will require a buffer to separate the use of the annexed property if it is incompatible with the uses permitted under the township zoning on the adjacent unincorporated land. Resolutions 55-13 and 56-13 were passed by City Council on September 23, 2013. Copies of the resolutions and the informational memo are attached for reference.

These resolutions were forwarded to the Franklin County Commissioners for their hearing on the annexation petition. This hearing took place on October 15, 2013, and the Commissioners approved the annexation with Resolution 0787-13. A copy of the resolution is attached.

Per Ohio Revised Code, the transcript of the hearing by the County Commissioners is forwarded to the Clerk of the municipal corporation to which annexation is proposed. The Clerk is required to hold the transcript for a period of 60 days. Following the expiration of 60 days, at the next regular Council meeting an ordinance accepting the annexation is introduced. The Council shall then accept or reject the petition for annexation within a period of 120 days after the first reading of the ordinance. If approved at the second reading/public hearing, Ordinance 01-14 will be effective 30 days after passage and the property will be incorporated into the City of Dublin.

Recommendation

Staff recommends approval of Ordinance 01-14, accepting the annexation of 4.6 acres in Washington Township, Franklin County, to the City of Dublin at the January 27, 2014 City Council meeting.

Re: **Resolution 55-13** - A Resolution adopting a Statement of Services for a Proposed Annexation of 4.6 acres More or Less from Washington Township, Franklin County by Jackson B. Reynolds, III, agent for Petitioner Jay B. Eggspuehler, 7250 Coffman Road, Dublin, Ohio 43017 (Case No. 13-098 ANEX)

Resolution 56-13 - A Resolution Adopting a Statement Regarding Possible Incompatible Land Uses And Zoning Buffer for a Proposed Annexation of 4.6 Acres, More Or Less, from Washington Township, Franklin County to the City of Dublin, Ohio as Required by Section 709.023(C) of the Ohio Revised Code.

Request from applicant for Fee Waiver for annexation petition processing

Background

On September 9, 2013, agent Jackson B. Reynolds, III filed an annexation petition on behalf of Jay B. Eggspuehler 7250 Coffman Road, Dublin, Ohio 43017. The petition is for 4.6 acres, more or less of land, in Washington Township, located east of Coffman Road adjacent to the Woods of Indian Run subdivision. The petition was filed pursuant to R.C. 709.023, the "Expedited Two" annexation method.

Under this process, the City must adopt an ordinance or resolution relating to municipal services within 20 days after the petition is filed. Within 20 days after the petition is filed, the City must also adopt an ordinance or resolution relating to land uses and zoning buffers, if the territory proposed to be annexed is currently subject to either county or township zoning. Resolutions Nos. 55-13 and 56-13 have been prepared for these purposes and for your consideration.

The Franklin County Commissioners will grant the proposed annexation, without a hearing, if neither the municipality nor the township object to the annexation by ordinance or resolution within 25 days after the petition is filed. If neither the municipality nor the township object, the Commissioners must grant the proposed annexation without a hearing, if certain criteria established in R.C. 709.023 have been met.

This proposed annexation is for 4.6 acres, more or less, and includes no right-of-way.

Fee Waiver

The applicant has requested that the City waive the annexation fees of \$3,700. The staff supports this request in keeping with some previous City annexations where property in a township island was proposed for annexation.

Background

ZONING

The current Washington Township zoning classification for this property is R-SR Suburban Residential District, which allows for single-family housing on larger lots. Upon annexation, the property will be automatically zoned R Rural District, under the Zoning Code of the City of Dublin. This would allow up to four single-family residences on this property.

The adjacent properties are parcels similar to this application -- large lots stretching from Coffman Road to the North fork of the Indian Run Creek, with some parcels vacant and some with single-family homes. This application does not include annexation of the area adjacent to Coffman Road where an existing single-family home is located.

FUTURE DEVELOPMENT AND COMMUNITY PLAN

The Community Plan anticipated annexation of this area. The adopted Future Land Use Map calls for Residential Medium Density development for this area.

This site is currently vacant.

SERVICE ASSESSMENT

• **POLICE PROTECTION**

The City of Dublin has five police districts and deploys a minimum of five cruisers. The subject annexation is located 1.3 driving miles from the Justice Center, the Division of Police headquarters. The City of Dublin provides police and communications services on a 24-hour basis and has mutual aid agreements with other jurisdictions. The annexation area will be fully served with police and communications services at the same or similar level now being provided to other areas of the City with similar land use and population.

• **FIRE PROTECTION AND EMERGENCY MEDICAL SERVICE (EMS)**

The Washington Township Fire Department provides fire protection to this area of Dublin and already provides service to the subject property. The closest station is located 1.2 miles away on Brand Road. The annexation area will be fully served with fire and EMS services at the same or similar level now being provided to other areas of the City with similar land use and population.

• **SOLID WASTE COLLECTION**

The City of Dublin provides residential solid waste collection at no additional fee.

• **WATER DISTRIBUTION**

The property is located within Dublin's exclusive annexation area of the Water Service Agreement with the City of Columbus. Currently, the nearest public water in the City of Dublin

is located at the terminus of Nature Drive. This eight-inch line should be extended through any proposed development.

- **SANITARY SEWER (WASTEWATER) COLLECTION**

The property is located within Dublin's exclusive annexation area within the Sanitary Service Agreement with the City of Columbus. This property is located within the tributary area of the North Fork Indian Run trunk sewer. A 24-inch sewer runs along the rear of the lots of the Indian Run subdivision and will provide sanitary sewer service to the property.

- **STORMWATER MANAGEMENT AND FLOODPLAIN**

This property is located in the North Fork Indian Run watershed as defined by the Stormwater Master Plan. The property slopes from west to east and is adjacent to the North Fork Indian Run waterway. Any development of this property will be required to meet the requirements of the Stormwater Regulations (Chapter 53).

The eastern portion of this property is located within the FEMA-designated floodplain for the North Fork Indian Run. Any development of this property within the floodplain boundaries will be required to meet the Floodplain Control regulations (Chapter 151).

- **ROADS AND STREETS**

The primary roads serving this acreage are Coffman Road, Forest Run Drive, and Nature Drive stub street north into the property, all existing streets. Nature Drive is currently within the jurisdiction of the City of Dublin for management and maintenance purposes. Any new roads or streets, which would be dedicated to the City within a proposed development would be maintained to the same degree and extent that these public facilities are maintained in areas with similar land use and population.

Recommendation

Staff recommends approval of the resolutions regarding the Statement of Services and Possible Incompatible Land Uses and approval of a motion for a fee waiver. Re: **Resolution 55-13** - A Resolution adopting a Statement of Services for a Proposed Annexation of 4.6 acres More or Less from Washington Township, Franklin County by Jackson B. Reynolds, III, agent for Petitioner Jay B. Eggspuehler, 7250 Coffman Road, Dublin, Ohio 43017 (Case No. 13-098 ANEX)

Resolution 56-13 - A Resolution Adopting a Statement Regarding Possible Incompatible Land Uses And Zoning Buffer for a Proposed Annexation of 4.6 Acres, More Or Less, from Washington Township, Franklin County to the City of Dublin, Ohio as Required by Section 709.023(C) of the Ohio Revised Code.

Request from applicant for Fee Waiver for annexation petition processing

Background

On September 9, 2013, agent Jackson B. Reynolds, III filed an annexation petition on behalf of Jay B. Eggspuehler 7250 Coffman Road, Dublin, Ohio 43017. The petition is for 4.6 acres, more or less of land, in Washington Township, located east of Coffman Road adjacent to the Woods of Indian Run subdivision. The petition was filed pursuant to R.C. 709.023, the "Expedited Two" annexation method.

Under this process, the City must adopt an ordinance or resolution relating to municipal services within 20 days after the petition is filed. Within 20 days after the petition is filed, the City must also adopt an ordinance or resolution relating to land uses and zoning buffers, if the territory proposed to be annexed is currently subject to either county or township zoning. Resolutions Nos. 55-13 and 56-13 have been prepared for these purposes and for your consideration.

The Franklin County Commissioners will grant the proposed annexation, without a hearing, if neither the municipality nor the township object to the annexation by ordinance or resolution within 25 days after the petition is filed. If neither the municipality nor the township object, the Commissioners must grant the proposed annexation without a hearing, if certain criteria established in R.C. 709.023 have been met.

This proposed annexation is for 4.6 acres, more or less, and includes no right-of-way.

Fee Waiver

The applicant has requested that the City waive the annexation fees of \$3,700. The staff supports this request in keeping with some previous City annexations where property in a township island was proposed for annexation.

Background

ZONING

The current Washington Township zoning classification for this property is R-SR Suburban Residential District, which allows for single-family housing on larger lots. Upon annexation, the property will be automatically zoned R Rural District, under the Zoning Code of the City of Dublin. This would allow up to four single-family residences on this property.

The adjacent properties are parcels similar to this application -- large lots stretching from Coffman Road to the North fork of the Indian Run Creek, with some parcels vacant and some with single-family homes. This application does not include annexation of the area adjacent to Coffman Road where an existing single-family home is located.

FUTURE DEVELOPMENT AND COMMUNITY PLAN

The Community Plan anticipated annexation of this area. The adopted Future Land Use Map calls for Residential Medium Density development for this area.

This site is currently vacant.

SERVICE ASSESSMENT

• POLICE PROTECTION

The City of Dublin has five police districts and deploys a minimum of five cruisers. The subject annexation is located 1.3 driving miles from the Justice Center, the Division of Police headquarters. The City of Dublin provides police and communications services on a 24-hour basis and has mutual aid agreements with other jurisdictions. The annexation area will be fully served with police and communications services at the same or similar level now being provided to other areas of the City with similar land use and population.

• FIRE PROTECTION AND EMERGENCY MEDICAL SERVICE (EMS)

The Washington Township Fire Department provides fire protection to this area of Dublin and already provides service to the subject property. The closest station is located 1.2 miles away on Brand Road. The annexation area will be fully served with fire and EMS services at the same or similar level now being provided to other areas of the City with similar land use and population.

• SOLID WASTE COLLECTION

The City of Dublin provides residential solid waste collection at no additional fee.

• WATER DISTRIBUTION

The property is located within Dublin's exclusive annexation area of the Water Service Agreement with the City of Columbus. Currently, the nearest public water in the City of Dublin

is located at the terminus of Nature Drive. This eight-inch line should be extended through any proposed development.

- **SANITARY SEWER (WASTEWATER) COLLECTION**

The property is located within Dublin's exclusive annexation area within the Sanitary Service Agreement with the City of Columbus. This property is located within the tributary area of the North Fork Indian Run trunk sewer. A 24-inch sewer runs along the rear of the lots of the Indian Run subdivision and will provide sanitary sewer service to the property.

- **STORMWATER MANAGEMENT AND FLOODPLAIN**

This property is located in the North Fork Indian Run watershed as defined by the Stormwater Master Plan. The property slopes from west to east and is adjacent to the North Fork Indian Run waterway. Any development of this property will be required to meet the requirements of the Stormwater Regulations (Chapter 53).

The eastern portion of this property is located within the FEMA-designated floodplain for the North Fork Indian Run. Any development of this property within the floodplain boundaries will be required to meet the Floodplain Control regulations (Chapter 151).

- **ROADS AND STREETS**

The primary roads serving this acreage are Coffman Road, Forest Run Drive, and Nature Drive stub street north into the property, all existing streets. Nature Drive is currently within the jurisdiction of the City of Dublin for management and maintenance purposes. Any new roads or streets, which would be dedicated to the City within a proposed development would be maintained to the same degree and extent that these public facilities are maintained in areas with similar land use and population.

Recommendation

Staff recommends approval of the resolutions regarding the Statement of Services and Possible Incompatible Land Uses and approval of a motion for a fee waiver. Upon City Council's approval, these resolutions will be forwarded to the Franklin County Commissioners for their consideration of the annexation of the 4.6 acres, more or less, from Washington Township to the City of Dublin.
