

Medication Disposal Day — April 26, 2014

In partnership with the U.S. Drug Enforcement Agency's National Prescription Drug Take-Back Day

America's biggest drug problem isn't on the street ... it's in our medicine cabinets.

Keep your family safe.

On April 26, 2014, OhioHealth will host the sixth medication disposal day at six of its health system facilities for central Ohio communities. Bring your expired and unused prescription and over-the-counter medications to one of the locations listed and law enforcement officers will dispose of these medications in a safe, legal and environmentally conscious manner.

Prescription drug abuse. Prescription drug misuse. It's an issue. At any age.
