## Background

The City of Dublin ("City"), the Village of Shawnee Hills, the Ohio Department of Transportation, and the Delaware County Engineer's Office (collectively, the "Project Partners") are working together to construct improvements at the intersection of Dublin Road and Glick Road (the "Project"). The Project includes construction of left turn lanes on each approach and will improve the sight distance on the north leg of the intersection by cutting down the hill by the El Vaquero restaurant. Pedestrian facilities will be added to the north side of Glick Road, west of Dublin Road, and the traffic signal will be upgraded to include such items as new mast arms, pedestrian push buttons in all four quadrants, and LED signal heads. The common goal among the Project Partners is to improve safety and efficiency for pedestrians, bicyclists, and motorists. On behalf of the Project Partners, the City will be the main point of contact as the Project progresses through the property acquisition process.

Scioto Family Partnership (the "Grantor") owns property from which the City desires a temporary easement. This property is identified as Delaware County Parcel No. 600-432-22-025-000.

After engaging in amicable negotiations, the City has come to an agreement with the Grantor to acquire the necessary property interest pursuant to the terms outlined in this memorandum. This Ordinance authorizes the settlement of the matter for Five Hundred Twenty Five Dollars (\$525.00).

The City is requesting emergency action on July 1 so the affected utilities can receive access to the new right-of-way for relocation purposes. Time is of the essence with this Project in order for the contractor to meet the proposed completion date of November 14, 2014.

**Acquisition**

The City will be acquiring from the Grantor only the property interest necessary for the construction of the Project as depicted in the legal description and map attached to this memorandum. The City will be acquiring this property interest for its appraised value. The acquisition is detailed below:

Delaware County Parcel No. 600-432-22-025-000

| <b>Property Interest Acquiring</b> | <b>Description</b> | <b>Appraised Value</b> |
|------------------------------------|--------------------|------------------------|
| Temporary Easement                 | 0.008 acre ±       | \$525.00               |
| <b>Total</b>                       |                    | <b>\$525.00</b>        |

**Recommendation**

Ordinance No. 52-14 would authorize the City Manager to execute all necessary conveyance documentation to formally acquire the necessary property interest described above. The Law Department recommends approval of Ordinance No. 52-14 by emergency at the second reading/public hearing on July 1, 2014 in order to finalize settlement with Scioto Family Partnership and continue moving forward with the Project.
