HEINLEN AND KENDRA E. HEINLEN, FOR THE PROPERTY LOCATED AT 5300 GLICK ROAD FOR THE CONSTRUCTION OF IMPROVEMENTS AT THE INTERSECTION OF DUBLIN ROAD AND GLICK ROAD, AND DECLARING AN EMERGENCY.**

Background

The City of Dublin ("City"), the Village of Shawnee Hills, the Ohio Department of Transportation, and the Delaware County Engineer's Office (collectively, the "Project Partners") are working together to construct improvements at the intersection of Dublin Road and Glick Road (the "Project"). The Project includes construction of left turn lanes on each approach and will improve the sight distance on the north leg of the intersection by cutting down the hill by the El Vaquero restaurant. Pedestrian facilities will be added to the north side of Glick Road, west of Dublin Road, and the traffic signal will be upgraded to include such items as new mast arms, pedestrian push buttons in all four quadrants, and LED signal heads. The common goal among the Project Partners is to improve safety and efficiency for pedestrians, bicyclists, and motorists. On behalf of the Project Partners, the City will be the main point of contact as the Project progresses through the property acquisition process.

The Project requires the acquisition of property interest from Stephen H. Heinlen and Kendra E. Heinlen ("Property Owners"), located at 5300 Glick Road, identified as Delaware County Parcel No. 600-432-19-024-000.

The City is hopeful that an amicable resolution may be reached with the Property Owner; however, this Ordinance authorizes the law director's office to initiate the eminent domain process in the event that negotiations are unsuccessful.

The City is requesting emergency action on July 1 in order that the affected utilities can receive access to the new right-of-way for relocation purposes. Time is of the essence with this Project in order for the contractor to meet the proposed completion date of November 14, 2014.

Acquisition

The City will be acquiring only the property interest necessary for the construction of the Project from the Property Owners, as depicted in the map attached hereto. The City had the property interest appraised; the appraised value is detailed below.

Delaware County Parcel No. 600-432-19-024-000

Property Interest Acquiring	Description	Appraisal Value
Fee Simple Interest	0.052 acre ±	\$18,120.00
Storm Sewer Easement	0.009 acre ±	\$1,600.00
Temporary Easement 1	0.016 acre ±	\$840.00
Temporary Easement 2	0.054 acre ±	\$2,820.00
Site Improvements	Trees, Shrubs, Landscaping, etc.	\$9,000.00
Damages to Residue	Excess Cost-to-Cure	\$10,400.00
Total		\$42,780.00

Recommendation

The Law Department recommends approval of Ordinance No. 59-14 by emergency at the second reading/public hearing on July 1, 2014 as the construction of the Project is necessary for public welfare and safety, and approval of the Ordinance will keep the Project moving forward.
