**Re:** Dublin Road & Glick Road Intersection Improvement Project  
Resolutions of Intent to Appropriate – 47-14 through 52-14

## Background

The City of Dublin ("City"), the Village of Shawnee Hills, the Ohio Department of Transportation, and the Delaware County Engineer's Office (collectively, the "Project Partners") are working together to construct improvements at the intersection of Dublin Road and Glick Road (the "Project"). The Project includes construction of left turn lanes on each approach and will improve the sight distance on the north leg of the intersection by cutting down the hill by the El Vaquero restaurant. Pedestrian facilities will be added to the north side of Glick Road, west of Dublin Road, and the traffic signal will be upgraded to include such items as new mast arms, pedestrian push buttons in all four quadrants, and LED signal heads. The common goal among the Project Partners is to improve safety and efficiency for pedestrians, bicyclists, and motorists. On behalf of the Project Partners, the City will be the main point of contact regarding the property acquisition necessary for the Project.

The Project requires the acquisition of property interest from the following property owners:

- Scioto Family Partnership, an Ohio General Partnership (47-14 and 48-14)
- Musca Properties, LLC, an Ohio Limited Liability Company (49-14)
- Mary J. Williston, Trustee of the Mary J. Williston Trust (50-14)
- Stephen H. and Kendra E. Heinlen (51-14)
- Larry F. and Catherine A. Burchfield (52-14)

The City is hopeful that an amicable resolution may be reached with the property owners; however, these Resolutions begin the eminent domain process in the event that negotiations are unsuccessful.

## Acquisition

The property acquisition consists of the following property interests from each of the above-named property owners, as depicted in the maps attached hereto:
