The City of Dublin is confirming that Aspen Energy will maintain the current building address **4789 Rings Road**. The proposed office remodeling will divide the current building into two separate spaces. Aspen Energy will occupy the western side of the building, **Suite 100**, while the eastern part of the building will be **Suite 150**. This change is illustrated on the attached exhibit.

If you have any additional questions or need more information, please feel free to contact our office at 614-410-4600.

Sincerely,

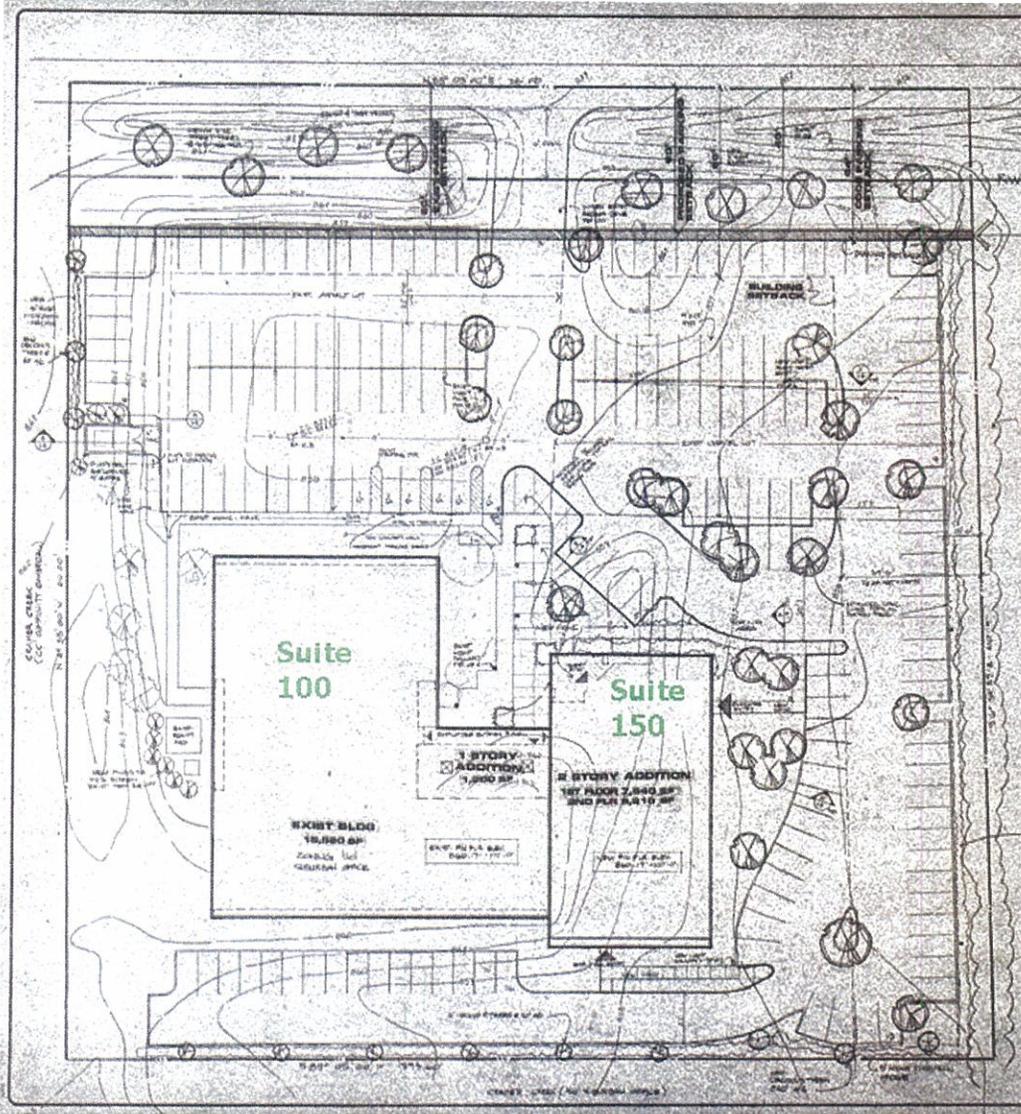

Michael Hendershot, P.E.
Civil Engineer II
