

Drawing from the Photograph

Drawing from the Photograph

An introductory drawing course for students who wish to recreate a favorite photograph on paper through visual means. Students select a photograph and establish a grid system to transfer a basic outline of the image to paper (or other drawing surface). Then learn basic drawing, coloring, and shading techniques to resolve the image. Materials are included in the price of this course. *Students will take home their own sketchpad.*

quilting, and contemporary drawing and painting. He received my Bachelor of Fine Arts degree from the University of Dayton in 2011 with emphases in soft sculpture and painting, and a Master of Fine Arts degree from the Rochester Institute of Technology (RIT) in 2013 with emphases in sculpture and textiles. He has worked with the City of Dublin since 2007 as an Art Instructor and a youth development counselor with the Summer Camp program, and teaches youth drawing and painting classes during the year. While at RIT, he was a graduate teaching assistant, instructing introductory drawing and sculpture courses, and he has exhibited his work locally and nationally. Zachary looks forward to working with the adult art program.
