## iPad and iPhone Special Topic- 8 Great Apps

Identify a few of the more useful apps that are available for iPad and iPhone. These apps can submit photos from your phone to CVS, order and mail printed greeting cards and check out library materials right on your device. There's also apps for the music lover, the lifelong learner and those who want to keep the brain active.

## iPad Special Topic- 8 Great Apps Instructor Gregg Montgomery

Gregg Montgomery works as a technology consultant in the Columbus, OH area. A former Apple store retail employee, Gregg has been working independently running his own technology business for over three years. He's consulted with schools and businesses, but spends most of his time working with adults teaching classes or doing one-on-one training and troubleshooting related to Apple products. Gregg has a Bachelor's Degree in Fine Art from Cleveland State University and a Master's Degree in Art Education from The Ohio University.
