

# iPad and iPhone Special Topic- Tips and Tricks

## iPad and iPhone Special Topic- Tips and Tricks

This intermediate level class focuses on understanding some tasks that everyone should know how to do. These tasks include things like saving photos that are attached to an email or text message and saving PDF files for reference in the iBooks app. We also take a deeper look into the Settings app to discover some helpful things you may have never noticed.

- **Price:** \$20 for City Residents, \$30 for School District Residents and Non-City Residents

## iPad Special Topic- Using Pages and iMovie Gregg Montgomery

Gregg Montgomery works as a technology consultant in the Columbus, OH area. A former Apple store retail employee, Gregg has been working independently running his own technology business for over three years. He's consulted with schools and businesses, but spends most of his time working with adults teaching classes or doing one-on-one training and troubleshooting related to Apple products. Gregg has a Bachelor's Degree in Fine Art from Cleveland State University and a Master's Degree in Art Education from The Ohio University.
