Amended Final Development Plan Statement

- A. Explain the proposed development and how the proposal related to existing development in the vicinity.

The applicant is proposing to develop a small commercial center of approximately 12,000 sq. ft. with potentially 3 or 4 tenant spaces on a 3.19 acre vacant tract. The center will contain either retail or sit down restaurant tenants per the list of permitted uses found in the Dublin Northeast Master Plan text for Subarea 5B. The applicant will match the architecture and landscaping found in the shopping center to the south to maintain a consistent theme along the Sawmill Road Corridor except the Applicant is requesting this amendment to add back as an approved awning color. The proposed use is also consistent with the established activities to the south of the site and areas to the east.

- B. State how the proposed final/amended final development plan relates to the Dublin Community Plan and the approved preliminary development plan. If there is a modification from the preliminary development plan, explain the nature and location of the proposed modification.

The proposal under consideration in this application concurs with the approved rezoning text as Subarea 5B of the Dublin Northeast Master Plan allocates two (2) outparcels along Sawmill Road that can be developed with retail and restaurant uses. The Dublin Community Plan that was adopted in 2007 shows this area as neighborhood office. The PUD adopted for the site provided for the two (2) outlots along Sawmill Road and the remaining acreage was allocated to Suburban Office and Institutional uses so the rear acreage does comply with the recommendations provided for in the Community Plan. However the existing PUD was reviewed and approved by City Council and therefore reflective of the City's accepted use of the property. The proposed development will meet the standards required in the adapted PUD approved by City Council in 2006. The development will meet the requirement for signage, landscaping, screening, parking stormwater detention and the only divergences requested is to reduce the number of loading space from 2 to 1 as only one space is needed for small commercial center to serve the tenants and to add the color black to the approved colors for tenant awnings. The architecture will mimic that which was developed and approved for the Kroger Center located directly south of the subject site to create a consistency for façade frontage found along the Sawmill Road frontage.

- C. Explain how the proposed development meets the review criteria for Final Development Plan approval by the Planning and Zoning Commission (Code Section 153.055(B)).

See attached statement.

- D. For an amended final development plan, explain how the proposal is different from the approved final development plan.

The proposed development does not require an amendment to the plan adopted in 2006 as there was not a plan associated with the approval only the development text.

- E. Explain how the proposal is consistent or non-consistent with the development text for the Planned District.

The proposed development is consistent with the adopted development with the only divergence requested is to reduce the number of loading spaces from 2 to 1 and to add the color black as an approved color for tenant awnings. The proposed shopping center will utilize architecture that will mimic that which is found at the Kroger Center to the immediate south so that a consistent form of development will be maintained along the Sawmill Road corridor.

Final Development Plan Approval Criteria

1. The plan conforms in all pertinent respects to the approved preliminary development plan provided, however, that the Planning and Zoning Commission may authorize plans as specified in Section 153.053(E)(4);

The proposed plan will conform in all pertinent respects to the approved preliminary development plan as the PUD provided development standard and did not have an associated site plan. The proposed development will adhere to the adopted developed standards with the only exception being a requested divergence to the number of loading spaces by reducing the number from 2 to 1 and add the color black as an approved color for tenant awnings.

2. Adequate provision is made for safe and efficient pedestrian and vehicular circulation within the site and to adjacent property:

Adequate provision has been made for safe and efficient pedestrian and vehicular circulation within the site and to adjacent property as Subarea 5B was thoroughly examined during the final development plan process for the Chase Bank site which was reviewed and approved a few years ago by the Planning Commission. The internal drives and access points were reviewed and approved as was a bike path located along the Sawmill Road frontage to provide pedestrian travel north and south along Sawmill Road. Additionally a bike path will be provided along the Emerald Road frontage that will tie into the bike path system planned along that frontage.

3. The development has adequate public services and open spaces;

The proposed development does have access to public services and has the open space required by the adopted development text.

4. The development preserves and is sensitive to the natural characteristics of the site in a manner that complies with the applicable regulations set forth in this Code:

The site is basically an open field with a few small trees located on it. The developer will abide by any tree replacement requirements that might be triggered by the development of the property. Additionally trees and other landscaping will be added to the site per the requirements of the Dublin Zoning Code.

5. The development provides adequate lighting for safe and convenient use of the streets, walkways, driveways, and parking areas without unnecessarily spilling or emitting light onto adjacent properties or the general vicinity'

The proposed development will provide adequate lighting for the site but will do so without spilling or emitting light onto adjacent properties in the general vicinity.

6. The proposed signs, as indicated on the submitted sign plan, will be coordinated within the Planned Unit Development and with adjacent development are of an appropriate size, scale, and design in relationship with the principal building site, and surroundings, and are located so as to maintain safe and orderly pedestrian and vehicular circulation;

A signage plan has been submitted with the final development plan that adheres to the requirement of the Dublin Zoning Code. The building will only utilize wall signage to identify the tenants and forego any ground signage for the site.

7. The landscape buffer will adequately enhance the principal building and site; maintain existing trees to the extent possible, buffer adjacent incompatible uses; break up large expanses of pavement with natural material; and provide appropriate plant materials for the buildings, site and climate.

A landscaping plan has been submitted with the final development plat that adheres to the requirements of the Dublin Zoning Code. The site is primarily an open field that will be developed with the proposed building, parking, stormwater facilities and the required landscaping as dictated by the provisions of the Dublin Zoning Code.

8. Adequate provision is made for storm drainage within and through the site which complies with the applicable regulations in this Code and any other design criteria established by the City or any other governmental entity which may have jurisdiction over such matters;

A stormwater plan has been submitted with the final development plan that meets all applicable requirements of the City of Dublin Engineering Department and those requirements of the OEPA.

9. If the project is to be carried out in progressive stages, each stage shall be so planned that the foregoing conditions are complied with at the completion of each stage; and

The development will be done in one phase.

10. The Commission believes the project to be in compliance with all other local, state and federal laws and regulations.

The applicant believes that all other local, state and federal laws and regulations have been addressed and complied with.

8.953 ACRES

Situated in the State of Ohio, County of Franklin, Township of Perry, City of Dublin, being in Section 2, Township 2, Range 19 in the United States Military District and also being part of an original 75.549 acre tract as conveyed to Sawmill Partners Investment Company No. II in Official Record 7883, Page E06, (all references being to records of the Recorder's Office, Franklin County, Ohio), and bounded and described as follows:

Commencing at a Franklin County Monument known as FCGS 7769, which is located at the centerline of construction intersection of Sawmill Road and the centerline of right-of-way of Saltergate Drive.

thence southerly with the centerline of Sawmill Road, South $02^{\circ} 34' 54''$ West, 67.45 feet;

thence westerly perpendicular to said centerline crossing the Corporation line between the City of Columbus and the City of Dublin, also crossing a 0.388 acre tract as conveyed to Franklin County Commissioners in Instrument Number 199711060137843, North $87^{\circ} 25' 06''$ West, 67.50 feet to an iron pin set at angle point in the westerly right-of-way line of Sawmill Road, Plat Book 107, Page 11, and being the **POINT OF BEGINNING** of the tract herein described;

thence southerly with the westerly right-of-way line of Sawmill Road, South $02^{\circ} 34' 54''$ West, 403.61 feet to an iron pin set;

thence westerly crossing said original 75.549 acre tract, North $68^{\circ} 24' 03''$ West, 26.05 feet to an iron pin set;

thence westerly continuing across said original 75.549 acre tract, North $87^{\circ} 25' 06''$ West, 209.58 feet to an iron pin set;

thence southerly continuing across said original 75.549 acre tract, South $29^{\circ} 06' 06''$ West, 21.43 feet to an iron pin set;

thence southerly continuing across said original 75.549 acre tract, South $02^{\circ} 35' 24''$ West, 295.74 feet to an iron pin set in the north line of a Reciprocal Easement as recorded in Instrument Number 200501240013629 located on said original 75.549 acre tract and being known as Summer Drive, a private drive;

thence westerly with the north line of Summer Drive across said original 75.549 acre tract along a curve to the right with a radius of 358.18 feet, a central angle of 03° 48' 53", an arc length of 23.85 feet, and a chord which bears North 59° 36' 06" West, a distance of 23.84 feet to an iron pin set at a Point of Tangency;

thence westerly continuing with the north line of Summer Drive across said original 75.549 acre tract, North 57° 42' 15" West, 79.70 feet to an iron pin set at a Point of Curvature;

thence westerly continuing with the north line of Summer Drive across said original 75.549 acre tract along a curve to the left with a radius of 358.30 feet, a central angle of 29° 42' 14", an arc length of 185.75 feet, and a chord which bears North 72° 33' 38" West, a distance of 183.68 feet to an iron pin set at a Point of Tangency;

thence westerly continuing with the north line of Summer Drive across said original 75.549 acre tract, North 87° 25' 06" West, 320.50 feet to an iron pin set at the intersection of the north line of Summer Drive and the easterly right-of-way line of Emerald Parkway as dedicated in Plat Book 107, Page 11;

thence northerly with the easterly right-of-way line of Emerald Parkway, North 04° 33' 00" East, 2.12 feet to an iron pin set at a Point of Curvature;

thence northeasterly with the southeasterly right-of-way line of Emerald Parkway along a curve to the right with a radius of 650.00 feet, a central angle of 88° 01' 19", an arc length of 998.58 feet, and a chord which bears North 48° 33' 53" East, a distance of 903.23 feet to a 3/4" pipe found, capped "R.D.ZANDE" at a Point of Tangency;

thence easterly continuing with the southeasterly right-of-way line of Emerald Parkway, South 87° 25' 06" East, 165.00 feet to an iron pin set at an angle point in the southeasterly right-of-way line of Emerald Parkway;

thence southeasterly with the westerly right-of-way line of Sawmill Road, South 42° 34' 19" East, 24.74 feet to the **POINT OF BEGINNING**, containing 8.953 acres, more or less.

Subject to all legal rights-of-way and/or easements, if any, of previous record.

Basis of Bearing: Centerline of Sawmill Road as shown on Roadway Dedication Plat of Emerald Parkway, Wyandotte Woods Boulevard, Sawmill Road and the Vacation of 0.086 Acres of Hard Road in Plat Book 107, Page 11, being South 02° 34' 54" West.

WEST OF SAWMILL ROAD
CITY OF DUBLIN, FRANKLIN COUNTY, OHIO**

Situate in the State of Ohio, County of Franklin, City of Dublin, lying in the Section 2, Township 2, Range 19, United States Military District, and being part of an original 22.870 acre tract conveyed to Sawmill Hard Center LLC, by deed of record in Instrument Number 200412060276772, and all of a 0.086 acre tract conveyed to Sawmill Hard Center LLC, by deed of record in Plat Book 107, Page 11 (Instrument Number 200507050130804), records of the Recorder's Office, Franklin County, Ohio, and said 18.052 acre tract being more particularly described as follows:

Begin for Reference, at a Franklin County Monument Number 7772, at the centerline intersection of Sawmill Road and Hard Road as shown and delineated on the record plat of the DEDICATION OF HARD ROAD, a subdivision of record in Plat Book 78, Page 11-13;

Thence North $87^{\circ}25'04''$ West, a distance of 67.50 feet, along the centerline of said Hard Road, to a point;

Thence North $02^{\circ}34'54''$ East, a distance of 88.50 feet, leaving the centerline of said Hard Road, to an iron pin set in the northerly right-of-way line of said Hard Road, said iron pin also being at the **Point of True Beginning**;

Thence the following five (5) courses and distances along the northerly right-of-way line of said Hard Road and the south lines of said original 22.870 acre tract:

1. South $47^{\circ}34'56''$ West, a distance of 54.45 feet, to a 3/4 inch iron pin found;
2. North $87^{\circ}25'04''$ West, a distance of 83.25 feet, to a 3/4 inch iron pin found;
3. Along a curve to the right, having a central angle of $36^{\circ}59'20''$, a radius of 450.00 feet, an arc length of 290.51 feet, a chord which bears North $68^{\circ}55'25''$ West, a chord distance of 285.49 feet, to a 3/4 inch iron pin found;
4. North $50^{\circ}25'45''$ West, a distance of 506.18 feet, to a 3/4 inch iron pin found;
5. Along a curve to the left, having a central angle of $07^{\circ}21'58''$, a radius of 1334.03 feet, an arc length of 171.50 feet, a chord which bears North $54^{\circ}06'44''$ West, a chord distance of 171.39 feet, to a 3/4 inch iron pin found in the easterly right-of-way line of Emerald Parkway (100 feet in width) of record in Plat Book 107, Page 11 (passing a 3/4 inch iron pin found at 18.97 feet and passing a 3/4 inch iron pin found at 165.10 feet);

Thence the following four (4) courses and distance along the west lines of said original 22.870 acre tract and along the easterly right-of-way line of said Emerald Parkway:

1. North $15^{\circ}09'23''$ West, a distance of 60.02 feet, to a 3/4 inch iron pin found;
2. North $28^{\circ}16'55''$ East, a distance of 59.60 feet, to a 3/4 inch iron pin found,

Exhibit A continued

3. Along a curve to the left, having a central angle of 23°43'55", a radius of 750.00 feet, an arc length of 310.65 feet, a chord which bears North 16°24'58" East, a chord distance of 308.44 feet, to a 3/4 inch iron pin found.
4. North 04°33'00" East, a distance of 209.33 feet, to a 3/4 inch iron pin found at the southwest corner of a 9.985 acre tract conveyed to Sawmill Hard Center L.L.C. by deed of record in Instrument Number 200503220052696.

Thence the following six (6) courses and distances along the south lines of said 9.985 acre tract:

1. South 87°25'04" East, a distance of 298.77 feet, to a 3/4 inch iron pin found;
2. North 02°34'56" East, a distance of 1.00 feet, to a 3/4 inch iron pin found;
3. South 87°25'04" East, a distance of 125.03 feet, to a 3/4 inch iron pin found;
4. Along a curve to the right, having a central angle of 24°44'45", a radius of 272.08 feet, an arc length of 117.51 feet, a chord which bears South 11°40'42" East, a chord distance of 116.60 feet, to a 3/4 inch iron pin found;
5. South 02°34'56" West, a distance of 15.91 feet, to a 3/4 inch iron pin found.
6. South 87°25'04" East, a distance of 399.02 feet, to a 3/4 inch iron pin found.

Thence South 02°34'54" West, a distance of 942.36 feet, along the east line of said original 22.870 acre tract, to the **Point of True Beginning**, containing 18.052 acres, more or less, being subject to all easements, restrictions and rights-of-way of record

All iron pins set are 3/4 inch iron pipes, 30 inches in length, with a yellow cap bearing the name "R.D. Zande".

The bearings in the above description are based on the bearing of North 81°19'41" West, for the centerline of Hard Road, as shown and delineated on the record plat of THE DEDICATION OF HARD ROAD, of record in Plat Book, 78, Pages 11-13, records of the Recorder's Office, Franklin County, Ohio.
