Re: City of Dublin Appointments to the Delaware Regional Planning Commission

Summary

Planning staff requests that City Council appoint Tammy Noble as the municipal member of the Delaware Regional Planning Commission and Claudia Husak as an alternate member of the Commission. Both are long-time planners with the City of Dublin and possess a vast array of planning experience that will lend expertise to the Commission. Tammy Noble has represented the City of Dublin in other regional planning efforts such as the State Route 33 Accord, Jerome Township and the Logan, Union and Champaign Regional Planning Commission. Tammy is also the staff liaison to the City of Dublin Board of Zoning Appeals. Claudia Husak has also been involved in regional planning efforts of which the most recent includes serving as the co-chair of the Blacklick-Rocky Fork Implementation Panel. Claudia is also the staff liaison to the City of Dublin Planning and Zoning Commission. These appointees will replace Gary Gunderman who was appointed to the commission in 2002.

Description

Article II (Membership) of the Bylaws for the Delaware Regional Planning Commission allows municipal partners to appoint members to the Commission, per the following excerpts:

Section 1. The Regional Planning Commission shall consist of the following members:

(b) A representative of each of the Municipal Corporations cooperating in the funding of said Regional Planning Commission shall be designated by said Municipal Planning Commission or by the Municipal Council, subject to approval by the Mayor of the appropriate office for such term as the municipality may elect. The municipality shall be represented by one person and one vote with the exception of the City of Delaware, which shall be represented by two persons and two votes. Such members shall hereinafter be referred to as "Municipal Members" of the Delaware County Regional Planning Commission.

f) Alternate members for each township, municipal and county agency member may be appointed in the same fashion as the regular members and shall be reported to the Secretary of the Regional Planning Commission. Any alternate person may attend in place of the regular member and shall identify themselves when the regular member's name is called during the roll call of a meeting. The alternate has the right to enter discussion and vote only when the regular member is absent.
