# Memo

**To:** Members of Dublin City Council

**From:** Dana L. McDaniel, City Manager 

**Date:** September 3, 2015

**Initiated By:** Paul A. Hammersmith, P.E., Director of Engineering/City Engineer  
Todd A. Garwick, P.E., Senior Civil Engineer

**Re: Resolution No. 65-15**  
**2015 Storm Structure Project – Bid Acceptance**

## Summary

The annual Storm Structure Project specifically provides for the maintenance, rehabilitation, and repair of structures associated with the public storm sewer system, which includes curb and gutter inlets, catch basins and manholes throughout the community. The annual Storm Structure Maintenance Project is a critical component of the City's on-going efforts to maintain Dublin's public infrastructure and meet the National Pollutant Discharge Elimination System (NPDES) Phase II regulations.

The 2015 budgeted funds for this project are \$260,000 from the Capital Improvements Tax Fund (a portion of the \$560,000 that was provided for annual storm water maintenance in 2015) and represent a bid amount for labor and material costs to repair the deficiencies in 120 storm structures identified during inspections. Storm structure inspection data, now being collected by City staff, may provide justification for increasing the funds programmed in the future years.

On August 19, 2015, one bid was received, publicly opened and read for the 2015 Storm Structure Project. Columbus Asphalt Paving, Inc. provided the lowest and best bid of \$252,271.50. Staff has reviewed the bid as summarized below.

Bidder	Bid as Read	Bid as Read Over (+) or Under (-) Engineer's Estimate	Corrected Bid
Columbus Asphalt Paving, Inc.	\$252,271.50	-2.97%	N/A

The bid was lower than the Engineer's estimate of \$260,000.00.

This 2015 Storm Sewer Structure Project will commence in September and will be completed by December 1, 2015. A map is attached for the work locations in various areas throughout the City. Staff will ensure that appropriate traffic control and site restoration is done as necessary.

**Recommendation**

Staff has thoroughly reviewed the bid from Columbus Asphalt Paving, Inc. and found it to be a true and accurate cost to perform the specified work for this project. The City of Dublin has two years of previous experience with Columbus Asphalt Paving, Inc. on this project with very positive results. Regarding their most recent work (as a subcontractor on the 2011 Street Maintenance Program and performing the 2013 and 2014 Storm Structure Maintenance Project), staff has been satisfied with the performance of Columbus Asphalt Paving, Inc. and the quality of their completed work.

Staff recommends Council approval of Resolution No. 65-15, accepting as lowest and best the bid from Columbus Asphalt Paving, Inc. in the amount of \$252,271.50 and authorizing the City Manager to enter into a contract with Columbus Asphalt Paving, Inc. for this project.

# RECORD OF RESOLUTIONS

Dayton Legal Blank, Inc., Form No. 30045

**65-15**

Resolution No. \_\_\_\_\_ Passed \_\_\_\_\_, 20\_\_\_\_

## **A RESOLUTION ACCEPTING THE LOWEST AND BEST BID FOR THE 2015 STORM STRUCTURE PROJECT**

**WHEREAS**, formal advertising and competitive bidding procedures have been conducted, pursuant to Section 8.04 of the Revised Charter and Chapter 37 of the Dublin Code, for the 2015 Storm Structure Project; and

**WHEREAS**, Council has determined that the bid submitted by Columbus Asphalt Paving, Inc. constitutes the lowest and best bid; and

**WHEREAS**, the 2013 Community Plan states an objective to provide safe and efficient collection of stormwater.

**NOW, THEREFORE, BE IT RESOLVED** by the Council of the City of Dublin, \_\_\_\_\_ of its elected members concurring, that:

**Section 1.** The bid submitted by Columbus Asphalt Paving, Inc. in the total amount of \$252,271.50 is hereby accepted.

**Section 2.** The City Manager is hereby authorized to enter into contracts with Columbus Asphalt Paving, Inc. for the 2015 Storm Structure Project pursuant to the Advertisement, Proposal and Contract Documents for said project on file in the office of the City Engineer.

**Section 3.** This Resolution shall take effect and be in force upon passage in accordance with Section 4.04(a) of the Revised Charter.

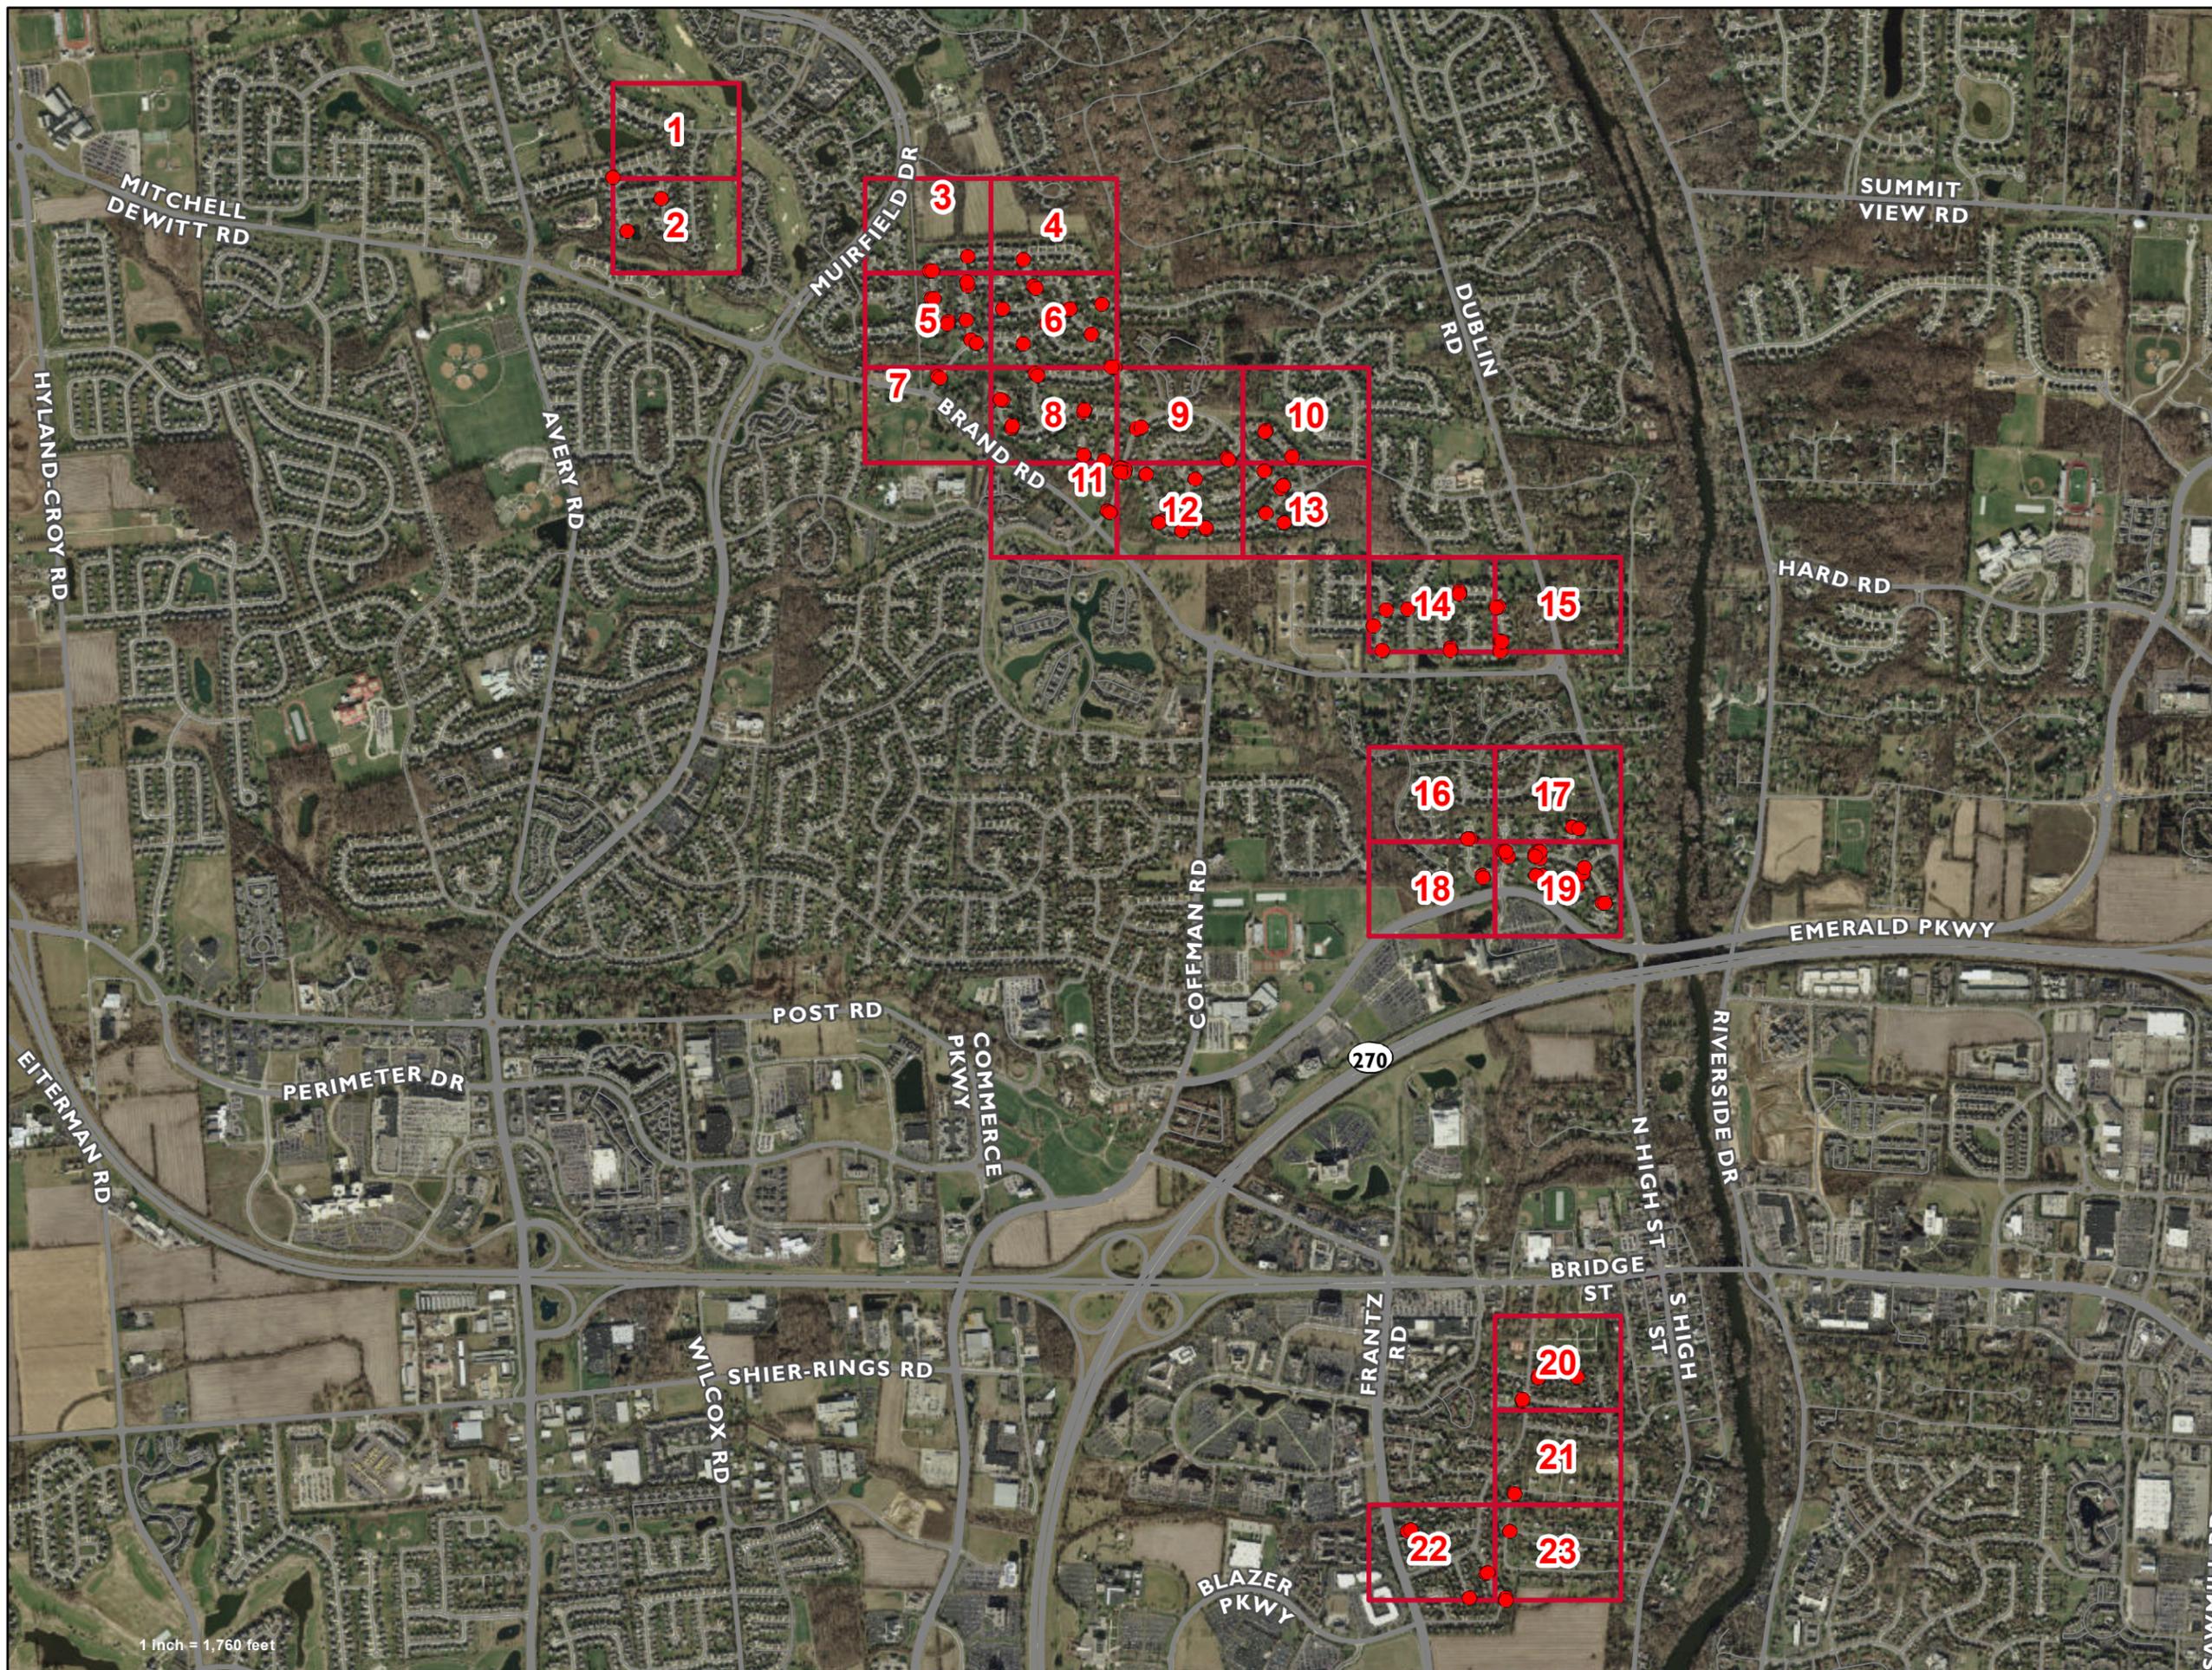

Passed this \_\_\_\_\_ day of \_\_\_\_\_, 2015.
