• Tel (865) 693-1105 • Fax (888) 694-1106 • Toll Free (866) 218-1976

Pattison Sign Group recommends signage based on the Design Intent Drawings provided by Gensler. If your final approved design documents differ from the original scale or size it is recommended that your General Contractor send the revised dimensions of your building facade for additional review. The size and placement of the ACM reveals (seams) is a vital part of our recommendation process to comply with General Motors design guidelines.

Installer to Verify Measurements Due to Field Variations

This sign intended to be installed in accordance with the requirements of Article 600 of the National Electrical Code and / or other applicable local codes. This includes proper grounding and bonding of the sign

Electrical ☑ 120V ☐ 347V
