Subject: PZ Case 15-120 Deer Run Subareas A & B

Hello--

Please submit to the P&Z members my non-support for the Deer Run Subareas A &B plans.

I believe it short-sighted and irresponsible to develop this property along Deer Run an further, especially with lots along the river. Furthermore, I believe they have shown how insensitive and unimaginative their approach can be with the development of Subarea C.

Sincerely,
Ken Klare
