

Funutation Minecraft® Magic (8-11yrs)

Camp Overview

Tekkies create games with 3D models and battle against powerful enemies in this week long Funutation Tekademy Camp. Download and install mods and maps into your gaming masterpiece. Participants acquire tech skills using our trademarked Funutation TEAMS® hands-on, inquiry-based model. Tekkies work solo as they investigate different ways to play Minecraft®. Participants need a Minecraft® account prior to the first day of the camp.

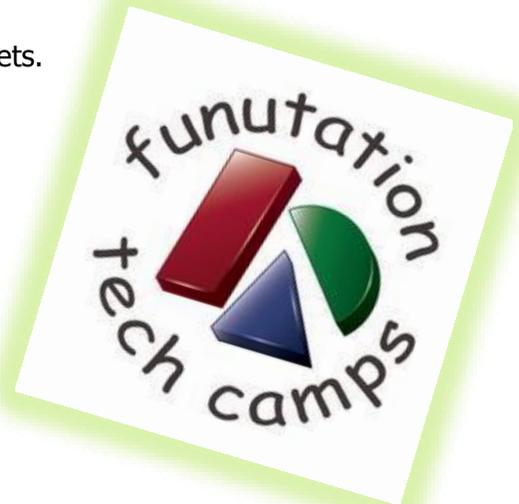

A Camp Newsletter is emailed to families the week before camp meets.
