III. MINOR PROJECT REVIEW CRITERIA: The Administrative Review Team shall review the application for a Minor Project and approve, deny, or approve with conditions, based on the criteria of §153.066(F)(5) applicable to Site Plan Reviews. The decision on the Minor Project shall be provided not more than 14 days from the filing of the Minor Project Review application, unless otherwise agreed to in writing by the City and the applicant.

Review Criteria for Minor Projects (Site Plans)	
(a)	The Site Plan shall be substantially similar to the approved Basic Plan;
(b)	If a Development Plan has been approved that includes the property, the application is consistent with the Development Plan;
(c)	The application meets all applicable requirements of §153.059 and §§153.062 through 153.065 except as may be authorized by Administrative Departure(s) pursuant to §153.066(H);
(d)	The internal circulation system and driveways provide safe and efficient access for residents, occupants, visitors, emergency vehicles, bicycles, and pedestrians;
(e)	The relationship of buildings and structures to each other and to other facilities provides for the coordination and integration of the development within the surrounding area and the larger community and maintains the image of Dublin as a high quality community;
(f)	The application is consistent with the requirements for types, distribution, and suitability of open space in §153.064 and the site design incorporates natural features and site topography to the maximum extent practicable;
(g)	The scale and design of the proposed development allows the adequate provision of services currently furnished by or that may be required by the City or other public agency including, but not limited to, fire and police protection, public water and sanitary sewage services, recreational activities, traffic control, waste management, and administrative services;
(h)	Stormwater management systems and facilities will not cause alterations that could increase flooding or water pollution on or off the site, and removal of surface waters will not adversely affect neighboring properties;
(i)	If the development is to be implemented in phases, each phase is able to be considered independently, without the need for further phased improvements; and
(j)	The application demonstrates consistency with the BSC Vision Report, Community Plan and other related policy documents adopted by the City.
