

Preschool/Youth Fall Preview Days

WE APPRECIATE YOU!

Start off the fall season with a taste of what our Preschool & Youth Programming Area has to offer! We provide several small class demos that are held back-to-back each day allowing participants to try multiple classes within a small period of time. Don't miss this great opportunity to try out a class, chat with instructors, and register if interested!
No pre-registration is required – just stop in and join us!

WEDNESDAY, SEPTEMBER 7
