Re: Ordinance 21-16 - Authorizing the City Manager to Execute an Easement along Post Road with American Electric Power (AEP) for the Installation of Electric Service for the Street Lighting along I-270

Summary

The street lighting along the reconfigured I-270 interchange requires electric service for its routine operation. These lights are currently powered by the overhead electrical lines along Post Road, which the City has been working to bury underground. American Electric Power (AEP) has requested to install the underground facilities along the south side of Post Road between Emerald Parkway and I-270. The City owns parcels 273-000307 and 273-003995 and can provide the easement for this work (see attached location map). Therefore, AEP has requested a 10-foot easement along the frontage of these properties.

Attached is a copy of the deed of easement and the legal description and exhibit. This documentation has been reviewed by staff and is consistent with past easements granted to AEP on City-owned property. Staff proposes the easement be granted to AEP in the amount of \$1, as is common practice. The installation of these underground lines will occur later in May or in early June.

Recommendation

Staff recommends approval of Ordinance 21-16 at the second reading/public hearing on May 23, Authorizing the City Manager to Execute an Easement along Post Road with American Electric Power (AEP) for the installation of electric facilities for the Street Lighting along I-270.

RECORD OF ORDINANCES

Ordinance No. 21-16

Passed _____, 20____

AN ORDINANCE AUTHORIZING THE CITY MANAGER TO EXECUTE AN EASEMENT ALONG POST ROAD WITH AMERICAN ELECTRIC POWER (AEP) FOR THE INSTALLATION OF ELECTRIC FACILITIES FOR THE STREET LIGHTING ALONG I-270

WHEREAS, the City of Dublin has received a request from American Electric Power (AEP) for a 10-foot easement; and

WHEREAS, the easement will enable AEP to provide underground electrical service infrastructure necessary to support the street lighting along I-270; and

WHEREAS, the location of the requested easement is on the south side of Post Road, east of I-270 on City-owned parcels 273-000307 and 273-003995; and

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Dublin, _____ of its elected members concurring, that:

Section 1. The City Manager is hereby authorized to execute the necessary documents with American Electric Power (AEP) for an easement necessary to provide electrical facilities to the street lights along I-270, in substantially the same form as attached, with changes not inconsistent with the Ordinance and not substantially adverse to the City and which shall be approved by the City Manager. The approval of changes thereto by those officials, and their character as not being substantially adverse to the City, shall be evidenced conclusively by their execution thereof.

Section 2. This ordinance shall take effect upon the earliest date permitted by law.

Passed this _____ day of _____, 2016.

Temporary Easement

City of Dublin, Ohio, an Ohio municipal corporation, "Grantor(s)", in consideration of \$1.00, the easement terms, and other good and valuable consideration from Ohio Power Company an Ohio corporation and a unit of American Electric Power, 850 Tech Center Drive, Gahanna, OH 43230-6605, "Grantee", the receipt and sufficiency of which is acknowledged, grants and conveys with limited warranty covenants to Grantee its successors, assigns, lessees, licensees and tenants, an easement, "Easement" for electric and other current/future energy or communication purposes, underground, in, on, over, through and across the following described lands situated in the City of Dublin, Franklin County, Ohio, lying in Survey Number 2542 of the Virginia Military District, containing 1.118 acre tract and 0.96 acre tract, both conveyed to the City of Dublin by Instrument No. 200512210267967 and 200310090325006, Franklin County Recorder's Office. Parcel Nos. 273-003995 and 273-000307.

Said lines and facilities shall be constructed within the limits of a ten (10) foot wide strip of land. The Easement area is depicted and described on the attached Exhibit "A", and made a part hereof.

This Easement conveys all necessary and convenient rights for the Easement's use, including, without limitation, the rights to: construct, operate, maintain, inspect, protect, repair, replace, enlarge, upgrade, extend and remove utility facilities and relocate within the Easement, all necessary and convenient facilities which include but are not limited to: conductors, conduits, enclosures, grounding systems, foundations, manholes, transformers, and associated equipment, adding thereto from time to time; perform grading or filling for such facilities; cut, trim, remove and/or otherwise control, with herbicides or by other means, at Grantee's option (without any liability to Grantor), any trees, limbs or branches, brush, shrubs, undergrowth, of whatever size, buildings, structures, or other obstructions that in Grantee's reasonable judgment endanger or interfere with the safety or use of its facilities, both within and adjoining the Easement. Within the Easement, Grantor shall not: place any structures, piles or debris, interfere with lateral support, change the level of the ground by excavation or mounding without Grantee's written consent, allow any construction that would be inconsistent with the National Electric Safety Code or Grantee's design standards, and, for underground lines, permit or cause any excavation, except for other utilities, provided such utilities rights do not conflict with this Easement. This Easement also conveys the right of ingress and egress in and over any reasonable routes at all times.
