

2016-17 Adult Winter Men's Basketball Leagues

- Returning teams are given first priority to return to the league. New teams are added to a wait list and are given the opportunity to register during the time period listed below.
- All new teams who wish to be placed on the wait list must contact Kelly Rigano (krigano@dublin.oh.us) with the following information: Name, email address, and phone number.
- Individuals who are interested in playing, but do not have a team, should complete the free agent sign-up form online at <http://dublinohiousa.gov/recreation-services/leagues/>. Your information is made available to the other teams in the league, however we do not place free agents and there is no guarantee that you'll be picked up by a team.

Important Dates	
Oct 17 – Nov 7	Online Registration for returning teams only
November 8-17	Wait list teams may register online. If there are any openings, Kelly will provide you with a user name, password, and instructions on how to register online.
