Re: Ordinance 33-16 – Vacating 0.069 Acres, More or Less, of Dale Drive as a Public Road in the City of Dublin, County of Franklin, State of Ohio.

BACKGROUND

The City of Dublin (the "City") owns the property located on Dale Drive, identified as Franklin County parcel number 273-008242, as depicted in the attached Exhibit A (the "Property"). Now that the construction of the new Central Ohio Transit Authority ("COTA") Park and Ride facility is completed on this site, and pursuant to a real estate exchange agreement with COTA, the City is finalizing the transfer of the southern 0.815 acres of the Property to COTA to move a Park and Ride in the Bridge Street District. The new COTA facility at this site is scheduled to begin operation on September 5 of this year.

Section 3.02(A)(4) of the Real Estate Exchange Agreement between the City and COTA states, in pertinent part, that the City covenants and agrees "[t]o vacate, a small portion of right of way adjacent to the southwest corner of this City Parcel as deemed necessary by the mutual approval of the Parties"

As you will notice on the attached exhibit, the right-of-way line includes a notch at the southwest corner of the Property that extends well into the Property, though this 0.069-acre portion is not encumbered with any public roadway or related City improvements. As part of the previous agreement between the City and COTA, and recognizing that the notch was not needed by the City as right-of-way, the City agreed to vacate this 0.069-acre portion of excess Dale Drive right-of-way; the vacated portion would then be added to the Property prior to its transfer to COTA.

The separate ordinance to vacate the 0.069-acre portion of the right-of-way is required by Franklin County to record the vacation. It is also necessary to comply with the City's agreement with COTA and creates a consistent right-of-way line that conforms to the naturally existing landscape and development of the Property.

RECOMMENDATION

Staff recommends approval of Ordinance 33-16 at the second reading/public hearing on September 12, 2016.
