Re: Ordinance 35-16 - Economic Development Agreement with O'Brien Robinson Construction Services, Inc.

Background

Staff has been in discussions with O'Brien Robinson Construction Services, Inc. regarding their interest in building a new corporate headquarters office in Central Ohio. The company is currently leasing an office located at 5930 Wilcox Place, Suite A. The company has been exploring new build sites in multiple Central Ohio communities.

O'Brien Robinson Construction Services, Inc. was established in October 2000 and operated for the first six years as KPRS O'Brien Construction Services, Inc. In January of 2007, the three silent investors from California that made up the "KPRS" component of the business were bought out by Tom O'Brien and Matt Robinson in a planned transaction, leading the way for the company to be renamed to "O'Brien Robinson Construction Services." The company has built many medical office buildings in Dublin and Central Ohio for Ohio Health.

The Economic Development Agreement proposed by the City to O'Brien Robinson Construction Services, Inc. includes a \$5,000 retention grant and a four-year 12% Performance Incentive on withholdings collected (2017-2020), that is capped at \$10,000 for the term of the agreement. In consideration, the company agrees to construct a new office building of at least 10,000 SF and retain 17 jobs and create seven new jobs in Dublin by December 31, 2020. The company must reach predetermined annual withholdings targets to qualify for these performance incentives.

The City estimates it would net approximately \$73,010 in income tax withholdings over the four-year term of the agreement.

Recommendation

Staff recommends Council passage of Ordinance 35-16 at the second reading/public hearing on September 26, 2016. Please contact Jeremiah Gracia or Colleen Gilger with any questions you may have.

Section 2. City Agreement to Provide Incentives.

(a) General. In consideration for the Company's agreement to construct the New Office Building to provide for the retention and expansion of an office and associated operations and workforce within the City, the City agrees to provide economic development incentives to the Company in accordance with this Section.

(b) Retention Incentive.

The Company further agrees that if the requirements of subsection 2(b)(i) are not satisfied, the City shall not be obligated to remit the Retention Incentive to the Company as required by this subsection 2(b).

(c) Workforce Creation Incentive.

(i) Calculation of Actual Payroll Withholding Taxes. On or before March 15 of each of the years 2018 through 2021, the City shall calculate the actual payroll withholding taxes collected and received during the then preceding calendar year and in respect of that preceding calendar year by the City from all Employees (as defined below). For purposes of that calculation, the Company acknowledges and agrees that the total amount of actual payroll withholding taxes in respect of any calendar year shall be determined based solely upon the amount of payroll withholding tax payments actually received by the City from the Company during that calendar year. The Company agrees that the determination of whether to include in such calculation any amount received by the City in respect of any calendar year but following the conclusion of that calendar year, shall be solely within the discretion of the City. For purposes of this Section 2, “*Employees*” shall include only those individuals employed by the Company and working within the City.

(ii) Information Relating to Employees. The Company agrees that, in accordance with the Dublin City Code, the annual payroll reconciliation and related W-2 forms relating to its Employees will be provided to the City prior to February 28 of each calendar year.

(iii) Federal Employer Identification Number. The Company’s Federal Employer Identification Number is _____. The Company agrees that if the Federal Employer Identification Number changes at any time during the term of this Agreement, the Company will notify the City of such change, including the new Federal Employer Identification Number, within thirty (30) days of the occurrence of such change.

(iv) Annual Incentive Payments to the Company. If the actual payroll withholding taxes collected and received by the City pursuant to subsection 2(c)(i) during the then preceding calendar year and in respect of that preceding calendar year from all Employees, net of refunds (such amount being referred to as the “*Actual Withholdings*”), equal or exceed the Target Withholdings (as defined in subsection 2(c)(v)) for that preceding calendar year, the City shall, on or before April 15 of the then current calendar year, pay to the Company, solely from nontax revenues (as defined in subsection 2(e)), an amount equal to the product of (A) the Actual Withholdings for that preceding calendar year, multiplied by (B) twelve percent (12%) (with each such product being referred to as an “*Annual Incentive Payment*”); *provided, however*, that (1) the City shall not be required pursuant to this subsection 2(c) to remit an Annual Incentive Payment to the Company in excess of the Annual Cap (as defined in subsection 2(c)(v)) in any calendar year, and (2) the aggregate amount of all Annual Incentive Payments remitted pursuant to this subsection 2(c) by the City to the Company shall not exceed Ten Thousand and 00/100 Dollars (\$10,000.00).

(v) Target Withholdings and Annual Cap. The Target Withholdings and Annual Cap for each of the calendar years 2017 through 2020 shall be:

<u>Calendar Year</u>	<u>Target Withholdings</u>	<u>Annual Cap</u>
2017	\$16,660	\$2,200

2020	20,580	3,000

(vi) Forfeiture of Right to Receive Workforce Creation Incentive Payment. The Company further agrees that if the Target Withholdings requirement is not met for any given calendar year as set forth in subsection 2(c)(v), the City shall not be obligated to make an Annual Incentive Payment to the Company for the calendar year in respect of which the Target Withholdings requirement was not satisfied. Failure to satisfy the Target Withholdings requirement in respect of any one calendar year does not prohibit the Company from receiving an Annual Incentive Payment for any subsequent calendar year in respect of which the Target Withholdings requirement is satisfied.

(d) Method of Payment. The payments to be paid to the Company as provided in this Section 2 shall be made by the City to the Company by electronic funds transfer or by such other manner as is mutually agreed to by the City and the Company.

(e) City's Obligation to Make Payments Not Debt; Payments Limited to Nontax Revenues. Notwithstanding anything to the contrary herein, the obligations of the City pursuant to this Agreement shall not be a general obligation debt or bonded indebtedness, or a pledge of the general credit or taxes levied by the City, and the Company shall have no right to have excises or taxes levied by the City, the State or any other political subdivision of the State for the performance of any obligations of the City herein. Consistent with Section 13 of Article VIII, Ohio Constitution, any payments or advances required to be made by the City pursuant to this Section 2 shall be payable solely from the City's nontax revenues and on a subordinated basis to the payment of debt service charges as may hereafter be payable on securities of the City which are payable from the City's nontax revenues. Further, since Ohio law limits the City to appropriating monies for such expenditures only on an annual basis, the obligation of the City to make payments pursuant to this Section 2 shall be subject to annual appropriations by the City Council and certification by the Director of Finance of the City as to the availability of such nontax revenues. For purpose of this Agreement, "nontax revenues" shall mean, all moneys of the City which are not moneys raised by taxation, to the extent available for such purposes, including, but not limited to the following: (i) grants from the United States of America and the State; (ii) payments in lieu of taxes now or hereafter authorized to be used for the purposes by State statute; (iii) fines and forfeitures which are deposited in the City's General Fund; (iv) fees deposited in the City's General Fund from properly imposed licenses and permits; (v) investment
