**ADDENDUM NO. 1  
to the contract for  
Comprehensive Wayfinding System Phase 1A and 1B  
16-024-CIP  
Bid Date: October 18, 2016**

**TO PROSPECTIVE BIDDERS:** The following changes shall be made part of the contract documents for this project:

**INFORMATION**

1. Bid date is not being modified.
2. The project uses the City of Dublin's General Conditions Section 100 for Bonds, Warranties, and Liquidated Damages. There are multiple warranty requirements in the general conditions that are not limited to the one-year "call back" warranty (which is included in the documents). Further, the bond form as drafted by the State contains no limitations on time. The limitations, therefore, would be based on the statute of limitations/statute of repose. City of Dublin's General Conditions Section 100 can be found at the following link:
