

SAWMILL ROAD / BRIGHT ROAD CORRIDOR STUDY

PROJECT OVERVIEW

NOVEMBER 29, 2016

AGENDA

Sawmill Road/Bright Road Corridor Study

- Project background
- Next steps
- Preliminary ideas

Additional Bright Road Projects

- Cul-de-sac construction
- Waterline and sanitary sewer construction

PROJECT BACKGROUND

The study is intended to address congestion and safety issues within the Sawmill Road/Bright Road corridor:

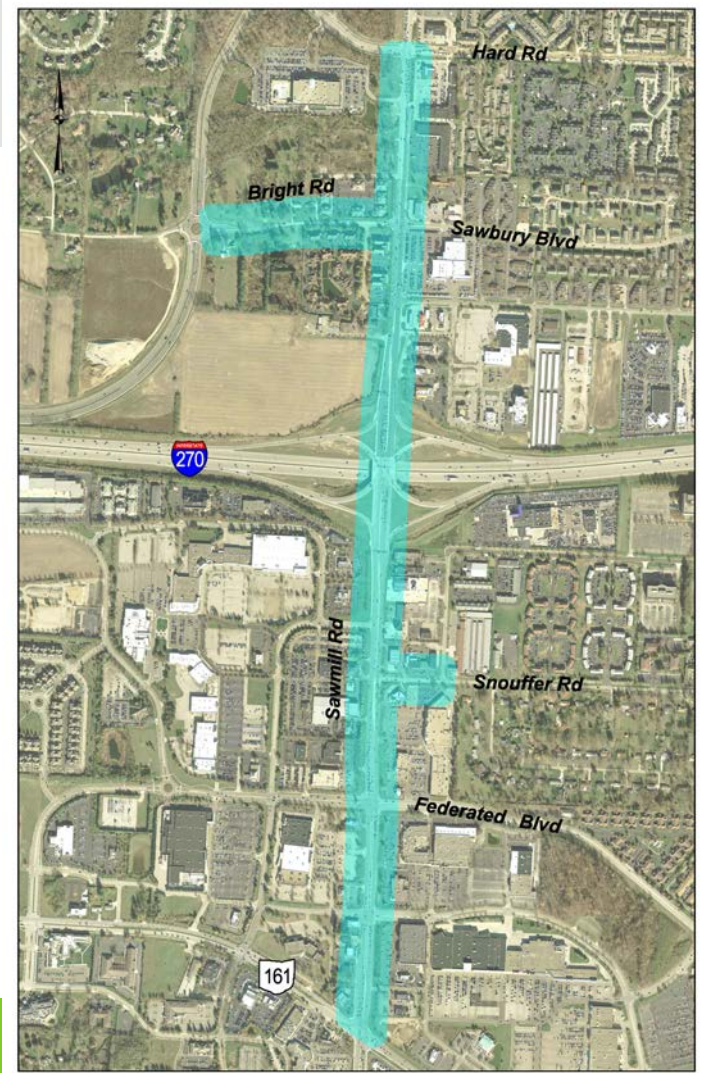

- Determine the number of through lanes needed along Sawmill Road
- Investigate intersection improvements
- Study roadway improvements to Bright Road

PROJECT BACKGROUND

Study Area

- Sawmill Road
 - SR 161 to Hard Road
- Bright Road
 - Emerald Parkway to Sawmill Road
- Snouffer Road
 - Sawmill Road to Caine Road

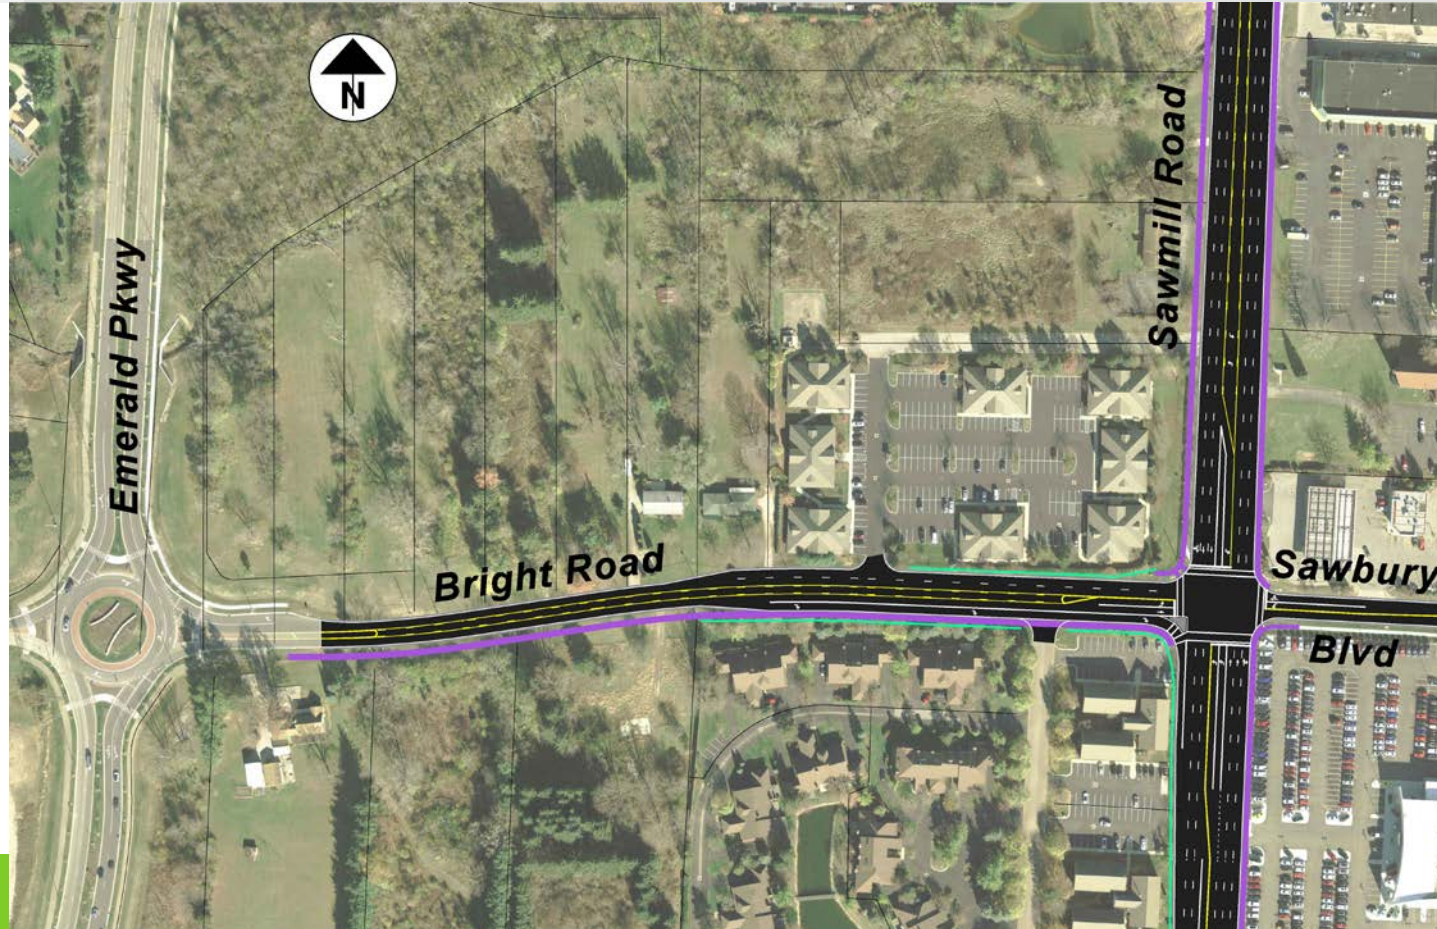

NEXT STEPS

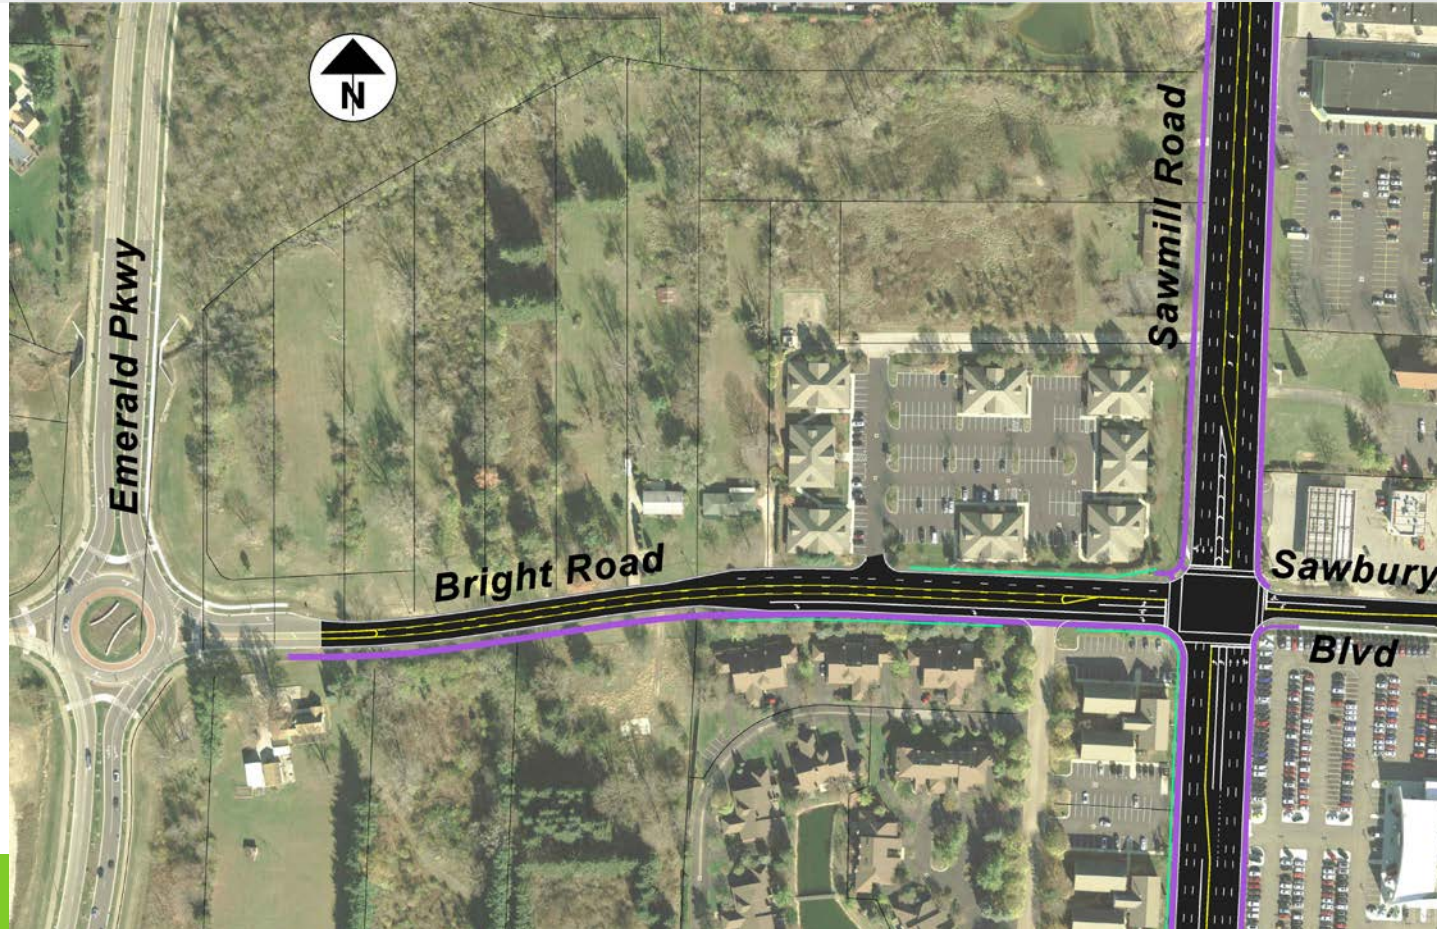

- Continue public information and participation
- Develop design year traffic
- Determine the appropriate number of lanes on Sawmill Road and Bright Road
- Develop conceptual alternatives for intersection improvements
 - Sawmill/SR 161
 - Sawmill/Banker/Sawmill Place
 - Sawmill/Federated/Village Pkwy
 - Sawmill/Snouffer
 - Snouffer/Caine
 - Sawmill/Dublin Center
 - Sawmill/Billingsley
 - Sawmill/Bright/Sawbury
 - Sawmill/Hard

CONTACT INFORMATION

We request that you provide us your input. This will allow us to address issues during the study. You can contact the Project Team the following ways:

- The comment forms provided here
- Contacting the City of Dublin:
 - Jean-Ellen Willis, Engineering Manager - Transportation
 - 5800 Shier Rings Road
 - Dublin, Ohio 43016
 - 614.410.4633
 - jwillis@dublin.oh.us

Sanitary Sewer and Water Extensions – Bright Road area

Area 4B

- Engineering Design - 2017
- Construction – 2018
- Bright Road from Riverside Drive to Grande Cliffs Subdivision

Sanitary Sewer & Water Extensions – Bright Road area

Area 4C

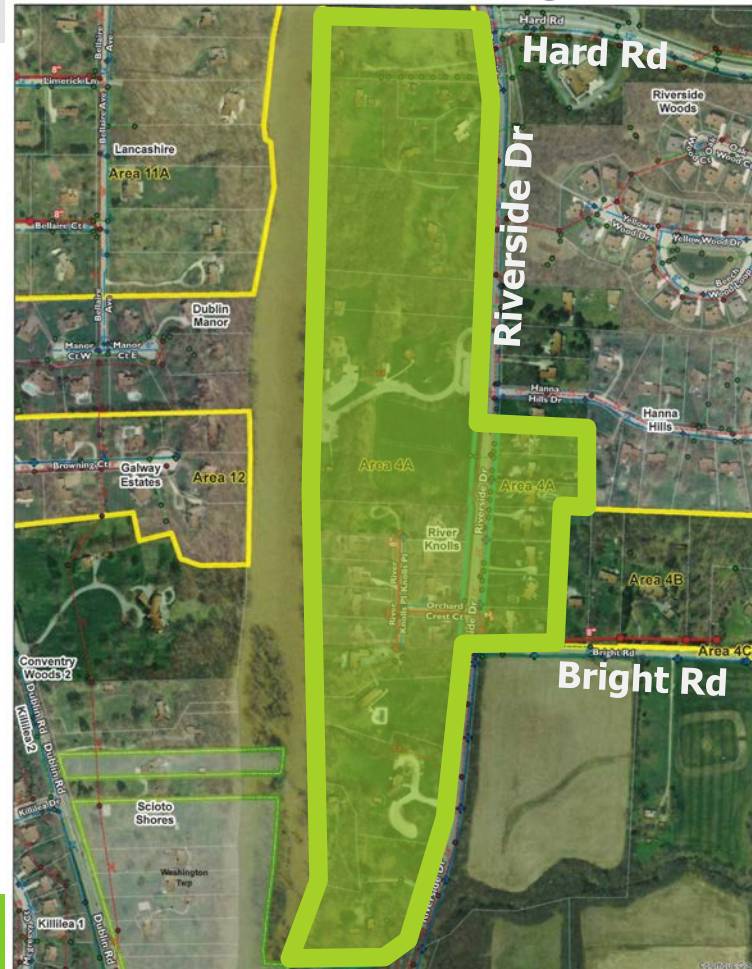

- Engineering Design - 2017
- Construction – 2018
- Grandee Cliffs Drive from Jenmar Court to Bright Road
- Bright Road from MacBeth Drive to Grande Cliffs Subdivision

Sanitary Sewer and Water Extensions – Bright Road area

Area 4A

- Engineering Design - 2018
- Construction – 2019
- Riverside Drive – Emerald Parkway to Hard Road

Sanitary Sewer and Water Extensions – Bright Road area

Area 4D

- Engineering Design - 2029
- Construction – 2030
- Development potential
- Bright Road – Emerald Parkway to Sawmill Road
