- A. Protests based upon the official's judgment in calling plays will not be accepted.
- B. Protests based upon misrepresentation of a rule or the application of the wrong rule to a given situation will be accepted.
- C. In order for a protest to be valid, the manager must register his protest immediately with the officials and opposing coach before the ball is put back in play after the incident in question. This will enable the umpire and the opposing team to take notice of the conditions surrounding the making of the decision. The manager must clearly state to the umpire his/her precise intent to protest and must employ the word "PROTEST" in the statement expressing his/her intent. Protests will be ruled upon by the supervisor on site.

Section 1:

- A. Protests involving the eligibility of a player or team will be resolved by the league Supervisor or Program Coordinator on the basis of records on file in the Recreation Services office.

Section 2:

RULE 7: FRANCHISE

- A. The Dublin Recreation Services Department considers that the franchise of a team belongs to 1). The manager; 2). The sponsor or sponsors of the team; 3). The team members; and that the manager has final authority in any question that might arise between the team and the Recreation Services Department. Any attempt to manipulate a franchise or registration form to gain a spot in our league will result in the dismissal of the team from the league.

RULE 8: WAIVE OF RULES

- A. Experience has proven that it is impossible to anticipate problems which may arise when rules are formulated and adopted. Therefore, the Recreation Services Department reserves the right to waive any rule governing play in any league under the jurisdiction of the Recreation Services Department when, in its judgment, the application of said rule will result on gross unfairness or unreasonable hardship.

RULE 9: CO-REC SPECIFIC RULES

- A. Teams must alternate male female in the batting order
- B. All leagues will use 12" softballs. Women will bat with an 11" softball.
- C. Teams can play with eight, but you will have to take an out for the 9th and 10th batter if you have an uneven number of males and females (if a team has 4 males and 4 females, then no outs will be taken). Teams cannot have two women or two men bat in a row without an out in between.
 - a. Ex: If a team has 5 men and 3 women, they must take an out in the 8th and 10th spots of the order.
- D. Players may position themselves anywhere in the field. If there are 10 players in the field, then teams must have an equal number of men and women (5 men, 5 women). If you have less than 10 players, then any ratio of men to women is acceptable and they can play anywhere in the field.
- E. Teams with more than 10 players can bat everyone, provided they alternate male-female in the batting order. Any 10 players may go into the field.
- F. If a male walks with no strikes pitched to him he will be awarded second base whether the female next in the batting order elects to hit or not. If a male walks with two strikes he is only awarded first base and the female must hit.

ADULT SOFTBALL RULES: FALL 2017

- G. The Homerun rule will be enforced. Each team is allowed one homerun per male and one per female over the fence per game. If a player chooses to touch all the bases he or she may.

RULE 10: COURTESY RUNNER/INJURED PLAYERS

- A. The courtesy runner will be permitted. The courtesy runner should be the last batter before the injured player that is not on base. For Co-Rec, only a male may substitute for a male, and female for a female. Courtesy runners can only be used for a player that is injured during the game or informs the umpire prior to the game that he or she needs a courtesy runner. That should be announced to the opposing manager, so both teams are aware. Exception; handicapped players shall be allowed to have a courtesy runner for the whole game.
- B. If a player is injured during the game, and there is no legal substitute remaining on the bench, any bench player, who must be on the roster, can sub in for the injured player.
