Re: Ordinance 49-17 - Economic Development Agreement with T-Cetra

Background

The Economic Development team has been working with T-Cetra LLC on retaining the company in Dublin as they have outgrown their current leased office space. The company seeks to own its next space and has been evaluating the purchase of several buildings in Dublin and around Central Ohio. The company currently employs 87 people and plans to grow to 180 by 2022.

T-Cetra is a technology company that links global wireless carriers to master distributors to support activation and prepaid product solutions. It is able to provide multiple products and services with a single solution, whether it's an online portal, smartphone, terminal or kiosk. It continues to build, test and launch new products and services for its customers.

Staff proposes a retention and expansion incentive worth \$120,000. The City proposes a lump-sum Retention Grant payment of \$35,000 upon the acquisition of a minimum 25,000-square-foot facility located within the Dublin corporation limit, and an approved full-occupancy permit for the new facility within the Dublin corporation limit.

The company would be required to retain ownership and occupancy of the facility for a minimum of 10 years (2018-2027) or the grant must be paid back to the City. Should the company outgrow or sell this facility and acquire a larger facility within Dublin during this 10-year period, the grant payback is waived.

Additionally, the City proposes a four-year, 18% Performance Withholding Incentive of \$85,000 from 2018 through 2021 tied to employee and payroll growth.

The City expects to net \$1,231,704 over the 10-year term of the agreement.

Recommendation

Staff recommends Council approval of Ordinance 49-17 at the second reading/public hearing on August 14, 2017. Please contact Colleen Gilger or Jeremiah Gracia with questions.

THIS ECONOMIC DEVELOPMENT AGREEMENT (the “*Agreement*”) is made and entered into this _____ day of _____, 2017 (the “*Effective Date*”), by and between the CITY OF DUBLIN, OHIO (the “*City*”), a municipal corporation duly organized and validly existing under the Constitution and the laws of the State of Ohio (the “*State*”) and its Charter, and T-CETRA, LLC, an Ohio limited liability company (the “*Company*” and together with the City, the “*Parties*”), under the circumstances summarized in the following recitals.

RECITALS:

WHEREAS, consistent with its Economic Development Strategy (the “*Strategy*”) approved by Dublin City Council Resolution No. 07-94 adopted on June 20, 1994, and the updated Strategy approved by Dublin City Council Resolution No. 30-04 adopted on July 6, 2004, the City desires to encourage commercial office development and create and preserve jobs and employment opportunities within the City; and

WHEREAS, based on the results of the Company’s recent comprehensive examination of workforce needs, and induced by and in reliance on the economic development incentives provided in this Agreement, the Company desires to purchase a facility to retain and expand an office and its associated operations and workforce, all within the City; and

WHEREAS, pursuant to Ordinance No. ____-17 passed on _____, 2017 (the “*Ordinance*”), the City has determined to offer the economic development incentives described herein to induce the Company to purchase a facility for the retention and expansion of an office and its associated operations and workforce, all within the City, which will result in the retention of existing and creation of new jobs and employment opportunities to improve the economic welfare of the people of the State of Ohio and the City, all as authorized in Article VIII, Section 13 of the Ohio Constitution; and

WHEREAS, the City and the Company have determined to enter into this Agreement to provide these incentives in order to induce the Company to purchase a facility to retain and expand an office and its associated operations and workforce, all within the City;

NOW THEREFORE, the City and the Company covenant, agree and obligate themselves as follows:

Section 1. Company’s Agreement to Purchase a Facility to Retain and Expand an Office and its Associated Operations and Workforce Within the City.

(a) In consideration for the economic development incentives to be provided by the City herein, the Company agrees that it will purchase a minimum 25,000 square foot facility which is located within the City (the “*Facility*”) to retain and expand an office and its associated operations and workforce, all within the City, all consistent with the terms of this Agreement. The Company expects to retain eighty-seven (87) existing employee positions within the City. The Company also expects to create sixty-nine (69) new employee positions within the City by December 31, 2021. The

total estimated payroll withholdings for the retained and new employee positions is estimated to be Four Hundred Fourteen Thousand One Hundred Thirty-Eight and 00/100 Dollars (\$414,138.00) over the term of this Agreement.

(b) The Company agrees that the City's obligations to remit payments pursuant to Section 2 of this Agreement shall be contingent upon (i) the Company purchasing the Facility, (ii) the City issuing to the Company (which issuance will not be unreasonably withheld, delayed or conditioned) a certificate of occupancy (the "*Certificate of Occupancy*") for the renovation of the Facility and (iii) such other conditions as are set forth in Section 2; *provided, however*, and notwithstanding any provision herein to the contrary, if the Company shall, after having acted in good faith, fail to purchase the Facility or receive the Certificate of Occupancy within the period set forth in subsection 3(s)(i), (iv) this Agreement will terminate without such failure constituting a breach by the Company, (v) the City's obligation to remit the Retention Incentive Payment or any Annual Incentive Payments will be terminated and (vi) the Company will owe no penalties to the City as a result of such failure.

Section 2. City's Agreement to Provide Incentives.

(a) General. In consideration for the Company's agreement to purchase the Facility and retain and expand its associated operations and workforce, and to retain existing and create new jobs and employment opportunities, all within the City, the City agrees to provide economic development incentives to the Company in accordance with this Section.

(b) Retention Incentive.

(i) Retention Incentive Payment to the Company. The Company agrees to acquire the Facility and to retain and expand an office and its associated operations and workforce, all within the City. In consideration of the Company's agreement to acquire the Facility and to retain and expand that office and retain and create employment opportunities within the City, and subject to the Company's compliance with the requirements set forth in subsection 2(d), the City agrees to provide to the Company a retention incentive payment (the "*Retention Incentive Payment*") in the amount of Thirty-Five Thousand and 00/100 Dollars (\$35,000.00), payable to the Company no later than thirty (30) days following the occurrence of (A) the Company's acquisition of the Facility and provision to the City of documentation in support thereof and (B) issuance by the City of the Certificate of Occupancy (which issuance will not be unreasonably withheld, delayed or conditioned).

(ii) Forfeiture of Right to Receive Retention Incentive Payment. The Company agrees and acknowledges that the Retention Incentive Payment provided for in subsection 2(b)(i) is being made by the City to the Company in consideration for the Company's agreement to acquire the Facility and retain and expand an office and its associated operations and workforce, and to retain and create employment opportunities, all within the City. The Company further agrees that if the requirements of subsection 2(b)(i) are not satisfied, the City shall not be obligated to remit the Retention Incentive Payment to the Company as required by this subsection 2(b).

(iii) Repayment of Retention Incentive Payment. The Company agrees and acknowledges that the Retention Incentive Payment provided for in subsection 2(b)(i) is also being made by the City to the Company in consideration for the Company's agreement that it will retain ownership of and continually occupy the Facility from the date on which the Certificate of Occupancy is issued (or such later date as is reasonably necessary to locate the Company's associated operations in the Facility) to and including December 31, 2027. If the City reasonably determines on or before December 31, 2027 that the Company no longer (a) owns the Facility or (b) occupies the Facility (either being referred to as an "Event"), the City will promptly provide written notification of such determination to the Company and the Company agrees that it will within thirty (30) days following the date of the City's written notification, remit to the City such portion of the Retention Incentive Payment as described in the following schedule:

(A) if an Event occurs on or before December 31, 2021, the remittance amount shall equal Thirty-Five Thousand and 00/100 Dollars (\$35,000.00),

(B) if an Event occurs after December 31, 2021 and on or before December 31, 2024, the remittance amount shall equal Twenty-Three Thousand Five Hundred and 00/100 Dollars (\$23,500.00), and

(C) if an Event occurs after December 31, 2024 and on or before December 31, 2027, the remittance amount shall equal Eleven Thousand Five Hundred and 00/100 Dollars (\$11,500.00);

provided, however, the Company will not be required to remit such amount to the City if the City reasonably determines that the occurrence of an Event was necessary to facilitate the Company's relocation to a larger facility located within the City.

(c) Workforce Creation Incentive.

(i) Calculation of Actual Payroll Withholding Taxes. On or before March 15 of each of the years 2019 through 2022, the City shall calculate the actual payroll withholding taxes collected and received during the then preceding calendar year and in respect of that preceding calendar year by the City from all Employees (as defined below). For purposes of that calculation, the Company acknowledges and agrees that the total amount of actual payroll withholding taxes in respect of any calendar year shall be determined based solely upon the amount of payroll withholding tax payments actually received by the City from the Company during that calendar year. The Company further acknowledges and agrees that any amount received by the City in respect of any calendar year, but following the conclusion of that calendar year, will not be considered in the total amount of actual payroll withholding taxes for the that calendar year. The City reserves in its sole discretion the right to waive this limitation. For purposes of this Section 2, "Employees" shall include only those individuals employed by the Company and working within the City.

(ii) Information Relating to Employees. The Company agrees that, in accordance with the City's codified ordinances, as may hereafter be amended from time to time (the

“*Dublin City Code*”), the annual payroll reconciliation and related W-2 forms relating to its Employees will be provided to the City prior to February 28 of each calendar year.

(iii) Employer Identification Number. The Company’s Federal Employer Identification Number is _____. The Company agrees that if the Federal Employer Identification Number changes at any time during the term of this Agreement, the Company will notify the City of such change, including the new Federal Employer Identification Number, within thirty (30) days of the occurrence of such change.

(iv) Annual Incentive Payments to the Company. Subject to the Company’s compliance with the requirements set forth in subsection 2(d), if the actual payroll withholding taxes collected and received by the City pursuant to subsection 2(c)(i) during the then preceding calendar year and in respect of that preceding calendar year from all Employees, net of refunds (such amount being referred to as the “*Actual Withholdings*”), equal or exceed the Target Withholdings (as defined in subsection 2(c)(v)) for that preceding calendar year, the City shall, on or before April 15 of the then current calendar year, pay to the Company, solely from nontax revenues (as defined in subsection 2(f)), an amount equal to the product of (A) the Actual Withholdings for that preceding calendar year multiplied by (B) eighteen percent (18%) (with each such product being referred to as an “*Annual Incentive Payment*”); *provided, however*, that (1) the City shall not be required pursuant to this subsection 2(c) to remit an Annual Incentive Payment to the Company in excess of the Annual Cap (as defined in subsection 2(c)(v)) in any calendar year, and (2) the aggregate amount of all Annual Incentive Payments remitted pursuant to this subsection 2(c) by the City to the Company shall not exceed Eighty-Five Thousand and 00/100 Dollars (\$85,000.00).

(v) Target Withholdings and Annual Cap. The Target Withholdings and Annual Cap for each of the calendar years 2018 through 2021 shall be as follows:

<u>Calendar Year</u>	<u>Target Withholdings</u>	<u>Annual Cap</u>
2018	\$80,810	\$18,000
2019	94,547	20,000
2020	110,184	22,000
2021	128,597	25,000

(vi) Forfeiture of Right to Receive Workforce Creation Incentive Payment. The Company agrees and acknowledges that the Annual Incentive Payments provided for in subsection 2(c) are being made by the City to the Company in consideration for the Company’s agreement to purchase the Facility to retain and expand an office and its associated operations and workforce, and to retain and create jobs and employment opportunities, all within the City. The Company further agrees that if the Target Withholdings requirement is not met for any given calendar year as set forth in subsection 2(c)(v), the City shall not be obligated to make an Annual Incentive Payment to the Company for the calendar year in respect of which the Target Withholdings requirement was not satisfied. Failure to satisfy the Target Withholdings requirement in respect of any one calendar year does not prohibit the Company from receiving an Annual Incentive Payment for any subsequent calendar year in respect of which the Target Withholdings requirement is satisfied.

(d) Payment of Municipal Income Taxes. The Company agrees that it shall timely remit to the City all municipal income taxes as required by the Dublin City Code. Not earlier than fifteen (15) days preceding the date on which the City is required to make a payment to the Company pursuant to either Section 2(b)(i) or Section 2(c)(iv) (the applicable payment being referred to as a “*Required Payment*”), the City shall determine whether the Company is in full compliance with its obligation to remit municipal income taxes to the City pursuant to the Dublin City Code. If the City reasonably determines that the Company is not in full compliance, the City shall not be obligated to make the Required Payment on the required payment date and will promptly provide written notification of such determination to the Company. If within sixty (60) days following the date of the City’s written notification the City receives a payment from the Company which the City reasonably determines will cause the Company to be in full compliance with its municipal income tax obligations pursuant to the Dublin City Code (including any applicable interest and penalties), the City will within fifteen (15) days of receipt of such payment remit to the Company the Required Payment. If, however, the Company fails to timely remit sufficient payment to the City in accordance with the preceding sentence, the City may in its sole discretion determine that the City’s obligation to remit such Required Payment is voided and that such Required Payment will not be made, and will promptly provide written notification to the Company of such determination.

(e) Method of Payment. The payments to be paid to the Company as provided in this Section 2 shall be made by the City to the Company by electronic funds transfer or by such other manner as is mutually agreed to by the City and the Company.

(f) City’s Obligation to Make Payments Not Debt; Payments Limited to Nontax Revenues. Notwithstanding anything to the contrary herein, the obligations of the City pursuant to this Agreement shall not be a general obligation debt or bonded indebtedness, or a pledge of the general credit or taxes levied by the City, and the Company shall have no right to have excises or taxes levied by the City, the State or any other political subdivision of the State for the performance of any obligations of the City herein. Consistent with Section 13 of Article VIII, Ohio Constitution, any payments or advances required to be made by the City pursuant to this Section 2 shall be payable solely from the City’s nontax revenues and on a subordinated basis to the payment of debt service charges as may hereafter be payable on securities of the City which are payable from the City’s nontax revenues. Further, since Ohio law limits the City to appropriating monies for such expenditures only on an annual basis, the obligation of the City to make payments pursuant to this Section 2 shall be subject to annual appropriations by the City Council and certification by the Director of Finance of the City as to the availability of such nontax revenues. For purpose of this Agreement, “*nontax revenues*” shall mean, all moneys of the City which are not moneys raised by taxation, to the extent available for such purposes, including, but not limited to the following: (i) grants from the United States of America and the State; (ii) payments in lieu of taxes now or hereafter authorized to be used for the purposes by State statute; (iii) fines and forfeitures which are deposited in the City’s General Fund; (iv) fees deposited in the City’s General Fund from properly imposed licenses and permits; (v) investment earnings on the City’s General Fund and which are credited to the City’s General Fund; (vi) investment earnings of other funds of the City that are credited to the City’s General Fund; (vii) proceeds from the sale of assets which are deposited in the City’s General Fund; (viii) rental income which is deposited in the City’s General Fund; and (ix) gifts and donations.

If any representative of the Company has knowingly made a false statement to the City to obtain the incentives described in this Agreement, the Company shall be required to immediately return all benefits received under this Agreement pursuant Ohio Revised Code Section 9.66(C)(2) and shall be ineligible for any future economic development assistance from the State, any State agency or a political subdivision pursuant to Ohio Revised Code Section 9.66(C)(1). The Company acknowledges that any person who provides a false statement to secure economic development assistance may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by a fine of not more than \$1,000 and/or a term of imprisonment of not more than six months

In case such action is not taken or not diligently pursued, or the default or breach shall not be cured or remedied within a reasonable time, the aggrieved non-defaulting Party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach.

(h) Executed Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to constitute an original, but all of which together shall constitute but one and the same instrument. It shall not be necessary in proving this Agreement to produce or account for more than one of those counterparts.

(i) Extent of Covenants; No Personal Liability. All covenants, obligations and agreements of the Parties contained in this Agreement shall be effective to the extent authorized and permitted by applicable law. No such covenant, obligation or agreement shall be deemed to be a covenant, obligation or agreement of any present or future member, officer, agent or employee of the City or the Company other than in his or her official capacity, and neither the members of the legislative body of the City nor any City or Company official executing this Agreement shall be liable personally under this Agreement or be subject to any personal liability or accountability by reason of the execution thereof or by reason of the covenants, obligations or agreements of the City and the Company contained in this Agreement.

The Parties further respectively represent and covenant that this Agreement has, by proper action, been duly authorized, executed and delivered by the Parties and all steps necessary to be taken by the Parties have been taken to constitute this Agreement, and the covenants and agreements of the Parties contemplated herein, as a valid and binding obligation of the Parties, enforceable in accordance with its terms.

(l) Limit on Liability. Notwithstanding any clause or provision of this Agreement to the contrary, in no event shall the City or the Company be liable to each other for punitive, special, consequential, or indirect damages of any type and regardless of whether such damages are claimed under contract, tort (including negligence and strict liability) or any other theory of law.

(q) Severability. If any provision of this Agreement, or any covenant, obligation or agreement contained herein is determined by a court to be invalid or unenforceable, that determination shall not affect any other provision, covenant, obligation or agreement, each of which shall be construed and enforced as if the invalid or unenforceable portion were not contained herein.
