**Re: Ordinances 05-18 through 20-18  
Acquisition of Easements for Sanitary Sewer Extension –  
Areas 11A and 11B (17-011-CIP)**

## Background

On December 7, 2015, Dublin City Council adopted a policy regarding public water and sanitary sewer utility extensions to areas that do not currently have access to these public services. The policy outlines a process by which the City of Dublin ("City") will identify, prioritize and implement the design and construction of public utility service extensions. The City has developed a conceptual 15-year plan for extending water and sewer lines to developed properties within City limits.

The Sanitary Sewer Extension – Areas 11A and 11B Project (the "Project") is the first project moving forward from the conceptual 15-year implementation plan, as depicted on the attached Location Map (page 4). This project extends 8-inch public sanitary sewer lines into existing Dublin Estates and Lancashire subdivisions, as well as several Dublin Road parcels. The first 8-inch public sanitary sewer line will be extended from the intersection of Bellaire Avenue and Bellaire Court, and then west into Bellaire Court to serve 4 parcels. Another 8-inch public sanitary sewer line will be extended from the intersection of Bellaire Avenue and Limerick Lane, and then west on Limerick Lane to serve 9 parcels. This Limerick Lane extension includes two parcels on the west side of Dublin Road. Also, an 8-inch public sanitary sewer line will be extended from the parcel area for 7640 Bellaire Avenue, and then west along Bellaire Avenue to Dublin Road, resulting in service to 8 parcels. Lastly, an 8-inch public sanitary sewer main will be extended north and south along Dublin Road frontage to serve 8 parcels.

This project has the potential to serve 29 existing parcels of which 26 parcels have various types of existing home sewage treatment systems (HSTS). The construction of this project will allow 3 existing undeveloped parcels the potential to connect to the public sanitary sewer system.

The Project requires the City to acquire easements from various property owners on Dublin Road, Bellaire Court, Limerick Lane, and Bellaire Avenue. The City participated in good faith discussions with all property owners and has come to mutually agreeable terms with all owners to donate the easements to the City at no cost.
