# Memo

**To:** Members of Dublin City Council

**From:** Dana L. McDaniel, City Manager 

**Date:** February 22, 2018

**Initiated By:** Colleen Gilger, Director of Economic Development  
Kyle Kridler, Economic Development Administrator

**Re:** Ordinance 22-18 - Economic Development Agreement with Xcelerate Media, Inc.

**Background**

Economic Development staff has been in discussions with Xcelerate Media, Inc. about the retention and expansion of their corporate headquarters here in Dublin. The company's current office lease in Historic Dublin is coming to an end, and they have been conducting a real estate search throughout the region for potential options.

Founded in 2002, Xcelerate Media provides customized training solutions to Global 1000 organizations. They work with 20 of the Fortune 50 organizations, providing the most dynamic training solutions available anywhere. Their business is within one of Dublin's strongest and most promising industry sectors of Information Technology and has been a great asset to the community over the past 15+ years. They've enjoyed their location in Historic Dublin due to its walkability; their connection to the area and Historic Dublin remains an attractive quality to their workforce. The project would result in the retention of 50 employees here in Dublin, with the potential to grow as they expand their client base and offerings. The company would be required to sign at minimum a 5-year lease within the City of Dublin for the agreement to take effect.

The Economic Development Agreement proposed by the City of Dublin to Xcelerate Media is a three year, 8% Performance Incentive on withholdings collected for all employees (2019-2021), that is capped at \$18,600 for the term of the agreement. In consideration, Xcelerate Media agrees to retain their 50 employees in Dublin through 2023.

The City expects to net approximately \$353,040 over the five-year term.

**Recommendation**

Staff recommends Council passage of Ordinance 22-18 at the second reading/public hearing on March 12, 2018. Please contact Kyle Kridler with any questions you may have.

## ECONOMIC DEVELOPMENT AGREEMENT

THIS ECONOMIC DEVELOPMENT AGREEMENT (the “*Agreement*”) is made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2018 (the “*Effective Date*”), by and between the CITY OF DUBLIN, OHIO (the “*City*”), a municipal corporation duly organized and validly existing under the Constitution and the laws of the State of Ohio (the “*State*”) and its Charter, and XCELERATE MEDIA, INC., a Delaware corporation (the “*Company*” and together with the City, the “*Parties*”), under the circumstances summarized in the following recitals.

### RECITALS:

WHEREAS, consistent with its Economic Development Strategy (the “*Strategy*”) approved by Dublin City Council Resolution No. 07-94 adopted on June 20, 1994, and the updated Strategy approved by Dublin City Council Resolution No. 30-04 adopted on July 6, 2004, the City desires to encourage commercial office development and create and preserve jobs and employment opportunities within the City; and

WHEREAS, based on the results of the Company’s recent comprehensive examination of workforce needs, and induced by and in reliance on the economic development incentives provided in this Agreement, the Company desires to lease a facility to retain an office and its associated operations and workforce, all within the City; and

WHEREAS, pursuant to Ordinance No. \_\_\_\_-18 passed on \_\_\_\_\_, 2018 (the “*Ordinance*”), the City has determined to offer the economic development incentives described herein to induce the Company to lease a facility for the retention of an office and its associated operations and workforce, all within the City, which will result in the retention of existing jobs and employment opportunities to improve the economic welfare of the people of the State of Ohio and the City, all as authorized in Article VIII, Section 13 of the Ohio Constitution; and

WHEREAS, the City and the Company have determined to enter into this Agreement to provide these incentives in order to induce the Company to lease a facility to retain an office and its associated operations and workforce, all within the City;

NOW THEREFORE, the City and the Company covenant, agree and obligate themselves as follows:

### Section 1. Company’s Agreement to Lease a Facility to Retain an Office and its Associated Operations and Workforce Within the City.

(a) In consideration for the economic development incentives to be provided by the City herein, the Company agrees that it will lease a facility which is located within the City to retain an office and its associated operations and workforce, all within the City, and all consistent with the terms of this Agreement. The Company expects to retain fifty (50) existing employee positions within the City. The total estimated payroll withholdings for the retained employee positions is estimated to be Two Hundred Sixteen Thousand Three Hundred Sixty-Three and 00/100 Dollars (\$216,363.00) over the term of this Agreement.

(b) The Company agrees that the City's obligations to remit payments pursuant to Section 2 of this Agreement shall be contingent upon (i) the Company delivering to the City a photocopy of a fully executed agreement evidencing the Company's lease of a facility within the City (which lease agreement shall have an initial term of at least five years) (the "*Lease Agreement*"), which will accommodate the retention of the Company's corporate headquarters and the associated operations and workforce and (ii) such other conditions as are set forth in Section 2; *provided, however*, and notwithstanding any provision herein to the contrary, if the Company shall, after having acted in good faith, fail to execute the Lease Agreement within the period set forth in subsection 3(s)(i), (iii) this Agreement will terminate without such failure constituting a breach by the Company, (iv) the City's obligation to remit any Annual Incentive Payments will be terminated and (v) the Company will owe no penalties to the City as a result of such failure.

Section 2. City's Agreement to Provide Incentives.

(a) General. In consideration for the Company's agreement to lease a facility and retain its associated operations and workforce, and to retain existing jobs and employment opportunities, all within the City, the City agrees to provide economic development incentives to the Company in accordance with this Section.

(b) Workforce Retention Incentive.

(i) Calculation of Actual Payroll Withholding Taxes. On or before March 15 of each of the years 2020 through 2022, the City shall calculate the actual payroll withholding taxes collected and received during the then preceding calendar year and in respect of that preceding calendar year by the City from all Employees (as defined below). For purposes of that calculation, the Company acknowledges and agrees that the total amount of actual payroll withholding taxes in respect of any calendar year shall be determined based solely upon the amount of payroll withholding tax payments actually received by the City from the Company during that calendar year. The Company further acknowledges and agrees that any amount received by the City in respect of any calendar year, but following the conclusion of that calendar year, will not be considered in the total amount of actual payroll withholding taxes for that calendar year. The City reserves in its sole discretion the right to waive this limitation. For purposes of this Section 2, "*Employees*" shall include only those individuals employed by the Company and working within the City.

(ii) Information Relating to Employees. The Company agrees that, in accordance with the City's codified ordinances, as may hereafter be amended from time to time (the "*Dublin City Code*"), the annual payroll reconciliation and related W-2 forms relating to its Employees will be provided to the City prior to February 28 of each calendar year.

(iii) Employer Identification Number. The Company's Federal Employer Identification Number is \_\_\_\_\_. The Company agrees that if the Federal Employer Identification Number changes at any time during the term of this Agreement, the Company

will notify the City of such change, including the new Federal Employer Identification Number, within thirty (30) days of the occurrence of such change.

(iv) Annual Incentive Payments to the Company. Subject to the Company's compliance with the requirements set forth in subsection 2(c), if the actual payroll withholding taxes collected and received by the City pursuant to subsection 2(b)(i) during the then preceding calendar year and in respect of that preceding calendar year from all Employees, net of refunds (such amount being referred to as the "*Actual Withholdings*"), equal or exceed the Target Withholdings (as defined in subsection 2(b)(v)) for that preceding calendar year, the City shall, on or before April 15 of the then current calendar year, pay to the Company, solely from nontax revenues (as defined in subsection 2(e)), an amount equal to the product of (A) the Actual Withholdings for that preceding calendar year multiplied by (B) eight percent (8%) (with each such product being referred to as an "*Annual Incentive Payment*"); *provided, however*, that (1) the City shall not be required pursuant to this subsection 2(b) to remit an Annual Incentive Payment to the Company in excess of the Annual Cap (as defined in subsection 2(b)(v)) in any calendar year, and (2) the aggregate amount of all Annual Incentive Payments remitted pursuant to this subsection 2(b) by the City to the Company shall not exceed Eighteen Thousand Six Hundred and 00/100 Dollars (\$18,600.00).

(v) Target Withholdings and Annual Cap. The Target Withholdings and Annual Cap for each of the calendar years 2019 through 2021 shall be as follows:

| <u>Calendar Year</u> | <u>Target Withholdings</u> | <u>Annual Cap</u> |
|----------------------|----------------------------|-------------------|
| 2019                 | \$70,000                   | \$6,000           |
| 2020                 | 72,100                     | 6,200             |
| 2021                 | 74,263                     | 6,400             |

(vi) Forfeiture of Right to Receive Workforce Retention Incentive Payment. The Company agrees and acknowledges that the Annual Incentive Payments provided for in subsection 2(b) are being made by the City to the Company in consideration for the Company's agreement to lease a facility to retain an office and its associated operations and workforce, and to retain existing jobs and employment opportunities, all within the City. The Company further agrees that if the Target Withholdings requirement is not met for any given calendar year as set forth in subsection 2(b)(v), the City shall not be obligated to make an Annual Incentive Payment to the Company for the calendar year in respect of which the Target Withholdings requirement was not satisfied. Failure to satisfy the Target Withholdings requirement in respect of any one calendar year does not prohibit the Company from receiving an Annual Incentive Payment for any subsequent calendar year in respect of which the Target Withholdings requirement is satisfied.

(c) Filing of Municipal Income Tax Returns and Remission of Related Taxes.

(i) The Company agrees that it shall timely (A) file directly with the City all municipal income tax returns and (B) remit directly to the City all municipal income tax payments, each as required by the Dublin City Code. While Ohio law currently permits the

Company to file its municipal income tax returns and remit its municipal income tax payments directly through the Ohio Business Gateway, the Company acknowledges that if in respect of any of the tax years 2019, 2020 or 2021 the Company either (C) files a related municipal income tax return or (D) remits a related municipal income tax payment, in either case directly with the Ohio Business Gateway instead of the City, then notwithstanding Section 2(c)(ii) the Company shall forfeit its right to receive and the City shall not be obligated to remit any payment which the City might otherwise be required to pay pursuant to Section 2(b)(iv) (the applicable payment being referred to as a “*Required Payment*”) in respect of that tax year.

(ii) Not earlier than fifteen (15) days preceding the date on which the City is required to make a Required Payment to the Company, the City shall determine whether the Company is in full compliance with its obligation to remit municipal income taxes to the City pursuant to the Dublin City Code. If the City reasonably determines that the Company is not in full compliance, the City shall not be obligated to make the Required Payment on the required payment date and will promptly provide written notification of such determination to the Company. If within sixty (60) days following the date of the City’s written notification the City receives a payment from the Company which the City reasonably determines will cause the Company to be in full compliance with its municipal income tax obligations pursuant to the Dublin City Code (including any applicable interest and penalties), the City will within fifteen (15) days of receipt of such payment remit to the Company the Required Payment. If, however, the Company fails to timely remit sufficient payment to the City in accordance with the preceding sentence, the City may in its sole discretion determine that the City’s obligation to remit such Required Payment is voided and that such Required Payment will not be made, and will promptly provide written notification to the Company of such determination.

(d) Method of Payment. The payments to be paid to the Company as provided in this Section 2 shall be made by the City to the Company by electronic funds transfer or by such other manner as is mutually agreed to by the City and the Company.

(e) City’s Obligation to Make Payments Not Debt; Payments Limited to Nontax Revenues. Notwithstanding anything to the contrary herein, the obligations of the City pursuant to this Agreement shall not be a general obligation debt or bonded indebtedness, or a pledge of the general credit or taxes levied by the City, and the Company shall have no right to have excises or taxes levied by the City, the State or any other political subdivision of the State for the performance of any obligations of the City herein. Consistent with Section 13 of Article VIII, Ohio Constitution, any payments or advances required to be made by the City pursuant to this Section 2 shall be payable solely from the City’s nontax revenues and on a subordinated basis to the payment of debt service charges as may hereafter be payable on securities of the City which are payable from the City’s nontax revenues. Further, since Ohio law limits the City to appropriating monies for such expenditures only on an annual basis, the obligation of the City to make payments pursuant to this Section 2 shall be subject to annual appropriations by the City Council and certification by the Director of Finance of the City as to the availability of such nontax revenues. For purpose of this Agreement, “*nontax revenues*” shall mean, all moneys of the City which are not moneys raised by taxation, to the extent available for such purposes,

including, but not limited to the following: (i) grants from the United States of America and the State; (ii) payments in lieu of taxes now or hereafter authorized to be used for the purposes by State statute; (iii) fines and forfeitures which are deposited in the City's General Fund; (iv) fees deposited in the City's General Fund from properly imposed licenses and permits; (v) investment earnings on the City's General Fund and which are credited to the City's General Fund; (vi) investment earnings of other funds of the City that are credited to the City's General Fund; (vii) proceeds from the sale of assets which are deposited in the City's General Fund; (viii) rental income which is deposited in the City's General Fund; and (ix) gifts and donations.

(e) Economic Development Assistance Certification. The Company has made no false statements to the City in the process of obtaining approval of the incentives described in this Agreement. If any representative of the Company has knowingly made a false statement to the City to obtain the incentives described in this Agreement, the Company shall be required to immediately return all benefits received under this Agreement pursuant Ohio Revised Code Section 9.66(C)(2) and shall be ineligible for any future economic development assistance from the State, any State agency or a political subdivision pursuant to Ohio Revised Code Section 9.66(C)(1). The Company acknowledges that any person who provides a false statement to secure economic development assistance may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by a fine of not more than \$1,000 and/or a term of imprisonment of not more than six months

(f) Entire Agreement. proceed immediately to cure or remedy such default or breach, and, in any event, within thirty (30) days after receipt of such notice. In the event such default or breach is of such nature that it cannot be cured or remedied within said thirty (30) day period, then in such event the defaulting Party shall upon written notice from any non-defaulting Party commence its actions to cure or remedy said breach within said thirty (30) day period, and proceed diligently thereafter to cure or remedy said breach. In case such action is not taken or not diligently pursued, or the default or breach shall not be cured or remedied within a reasonable time, the aggrieved non-defaulting Party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach.

(h) Executed Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to constitute an original, but all of which together shall constitute but one and the same instrument. It shall not be necessary in proving this Agreement to produce or account for more than one of those counterparts.

(i) Extent of Covenants; No Personal Liability. All covenants, obligations and agreements of the Parties contained in this Agreement shall be effective to the extent authorized and permitted by applicable law. No such covenant, obligation or agreement shall be deemed to be a covenant, obligation or agreement of any present or future member, officer, agent or employee of the City or the Company other than in his or her official capacity, and neither the members of the legislative body of the City nor any City or Company official executing this Agreement shall be liable personally under this Agreement or be subject to any personal liability or accountability by reason of the execution thereof or by reason of the covenants, obligations or agreements of the City and the Company contained in this Agreement.

(j) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio without regard to its principles of conflicts of laws. All claims, counterclaims, disputes and other matters in question between the City, its agents and employees, and the Company, its employees and agents, arising out of or relating to this Agreement or its breach will be decided in a court of competent jurisdiction within Franklin County, Ohio.

(k) Legal Authority. The Parties respectively represent and covenant that each is legally empowered to execute, deliver and perform this Agreement and to enter into and carry out the transactions contemplated by this Agreement. The Parties further respectively represent and covenant that this Agreement has, by proper action, been duly authorized, executed and delivered by the Parties and all steps necessary to be taken by the Parties have been taken to constitute this Agreement, and the covenants and agreements of the Parties contemplated herein, as a valid and binding obligation of the Parties, enforceable in accordance with its terms.

(l) Limit on Liability. Notwithstanding any clause or provision of this Agreement to the contrary, in no event shall the City or the Company be liable to each other for punitive, special, consequential, or indirect damages of any type and regardless of whether such damages are claimed under contract, tort (including negligence and strict liability) or any other theory of law.

The failure of any Party to insist at any time upon the strict observance or performance of any of the provisions of this Agreement or to exercise any right or remedy as provided in this Agreement shall not impair any such right or remedy or be construed as a waiver or relinquishment thereof. Every right and remedy given by this Agreement to the Parties hereto may be exercised from time to time and as often as may be deemed expedient by the parties hereto, as the case may be.

(o) Recitals. The Parties acknowledge and agree that the facts and circumstances as described in the Recitals hereto are an integral part of this Agreement and as such are incorporated herein by reference.

(p) Reporting Requirements. The Company acknowledges that it is hereby advised by the City that certain accounting reporting requirements may obligate the City to treat and report payments remitted hereunder to the Company as a tax abatement. Notwithstanding any such reporting requirements, the Company acknowledges and agrees that the Company is not entitled hereunder to an abatement or exemption of any tax obligation that would otherwise be payable pursuant to the Dublin City Code.

(q) Severability. If any provision of this Agreement, or any covenant, obligation or agreement contained herein is determined by a court to be invalid or unenforceable, that determination shall not affect any other provision, covenant, obligation or agreement, each of which shall be construed and enforced as if the invalid or unenforceable portion were not contained herein.
