

Tax Return Instructions for Forms DIR-1040EZ

These instructions are applicable to City of Dublin returns DIR-1040EZ. **Any errors or omissions from these instructions do not supersede Ohio Revised Code Section 718 or Dublin City Ordinance Section 38. These instructions are informational and may not be inclusive of all local tax laws.** If you have any questions about completing any of our forms and/or need tax forms, please call (614) 410-4460.

Do I need to file?

All Dublin residents and part-year residents 18 years of age and older are required to file a tax return. If you are exempt because you are under the age of 18 or only received pension income or military pay, you should file a Declaration of Exemption Form (Form DIX-16) which can be found on our website www.dublintax.com.

Can we file a joint return?

A married couple may file a joint return regardless of the filing method used on their federal or state return. Joint returns must be signed by both spouses and include both social security numbers.

Do I use Form DIR1040EZ?

The DIR1040EZ form can only be used if a taxpayer is fully withheld and not required to make estimated payments nor may a refund be requested.

When and where do I file?

Returns must be filed on or before the fifteenth day of the fourth month following the close of the tax year. For 2023 calendar year taxpayers, this means the return is due April 15, 2024. Any taxpayer who has requested an extension for filing their Federal income tax return shall **automatically** receive the same extension for the filing of the City tax return (attach a copy). Taxpayers who have not received or requested a Federal extension may request an extension from the Dublin Division of Taxation provided the request is received before the original due date of the return. An extension of time to file is **not** an extension of the time to pay any tax due.

If you are unable to pay any taxes owed, you should still file your annual return timely with the Income Tax Division and request a payment plan as soon as possible.
