## Lesson Age Ranges

Required age ranges for the identified classes allow our instructors to provide lessons designed with your child's gross and motor skill development in mind. These ranges are listed on the class schedule (see page 1).

## Adaptive Swim Lessons Accommodations

DCRC promotes an inclusive policy for all of our programs. To provide the best overall experiences for your child, an intake questionnaire will take place during the registration process so our instructors can identify accommodations needed prior to the first day of class.

In addition to requiring a caregiver in the water & present at each lesson, our program will provide an Adaptive Aide present at each class to help individualize the group swim lesson experience.
