

Drop in babysitting is available at the Dublin Community Recreation Center (DCRC) for use by patrons using the indoor facilities inside or immediately outside the Center for a group fitness class only (patrons are **not** able to use the biking trails, Coffman park or leave DCRC grounds). The staff will provide a positive, fun and safe environment while you enjoy the DCRC. To ensure this goal is achieved, we need your help and ask that you comply with the following rules:

Rules/Policies:

- Babysitting services are open to children ages 6 weeks to 12 years of age. Can include but not limited to crafts, board games, video games, outdoor play. Staff and children go outside as often as possible when the weather allows. We ask that parents/guardians provide appropriate attire for indoor and outdoor play (this includes but not limited to: socks, shoes, coats etc.).
- Parents/Guardians must complete an online Wee Folk Registration Pass at the front membership desk or online.
- Parents/Guardians must sign their children in and out with each visit and show proper I.D. (Wee Folk Pass or Driver's License).
- Parents/Guardians must remain inside the DCRC while their children are in the Wee Folk Room. Parents/Guardians may attend a group fitness class that is offered directly outside the DCRC (i.e. Bocce court area. This does NOT include classes held at Coffman Park or Coffman Pavilion).
- There is a **2 hour maximum per visit**. All children must be picked up by the end of their 2 hour limit or Wee Folk Room closing time.
- Availability is limited to a first come first serve basis, due to child/staff ratios. Children must be supervised at all times. It is required that we maintain a 1:7 ratio with toddlers (14 months-12 years old) and a 1:1 ratio with infants (6 weeks-13 months), meaning infants cannot exceed the staff number. Staff to child ratios must be maintained at all times.
- Children showing signs of illness, including but not limited to; fever, diarrhea, vomiting and/or have missed school that day due to illness are not permitted in the Wee Folk Room. **Staff have the authority to refuse service to children showing signs of illness.**
- Cubbies are provided for your child's diaper bag, coat, etc.
- All children who are able to walk must wear shoes at all times inside the Wee Folk Room and on the Wee Folk Playground.
- Due to Allergies, food and gum are not permitted in the room.
- Families are permitted to bring in one cup per child that is be able to be closed (water bottle, sippy cup, etc) to avoid spills. Drinks must be water or a clear liquid, no milk or colored juice are permitted.
- For children **under the age of three**, the staff offer diaper changing at no additional cost. Parents/Guardians must supply diapers and wipes if they wish to use this service and indicate it on the emergency form when signing up. Parents/Guardians will be called upon to provide personal care for their child if permission for diaper changing is not granted or the child shows resistance for a diaper change.
- The object of the Wee Folk Room is to provide a service to the parents and children. However, sometimes when a child is overly upset and cannot be comforted it may be necessary to reunite the child with their parent/guardian. It is imperative that we do everything possible to soothe the child. As a general rule we use the 15-minute policy before trying to locate the parents/guardians. It is also important staff work with parents/guardians to determine the best and most efficient way to sooth and calm their child.
- Parents/Guardians are consulted regarding disciplinary situations, incidents and accidents.

DIVISION OF RECREATION SERVICES

- The Wee Folk Room staff like to make a fun and positive experience for all of the children in the room, sometimes this means that kids get dirty and sometimes wet. We ask that families provide an extra pair of clothing incase this happens. Our staff like to play with bubbles, in the water table, and crafting that can sometimes be a little messy.
- If families wish for their child *not* to participate, please inform the staff so staff can find an alternative activity for the kids to do.
