

## Council Candidate Q&A Transparency Posting

### Posting No. 1

To ensure transparency and provide equal access to information for all candidates, the City is posting the following question received from a candidate, along with the City's response. This information is shared exactly as provided so that all candidates have the same access to City resources and clarification.

#### QUESTION SUBMITTED:

*Are there any restrictions on using a candidate photograph on campaign yard signs?  
I would like to confirm that there are no restrictions and that the photograph will not count against the limit of 3 colors.*

#### CITY RESPONSE:

*It is not a violation of the three-color requirement to include a photo of the candidate. Our primary concern is ensuring that signs are not displayed on City right-of-way/property or placed in such a manner as to adversely affect vehicular or pedestrian traffic.*

#### NOTE:

The City of Dublin provides factual responses to questions from all candidates. Responses are limited to information that is publicly available and do not include campaign advice, strategy, or opinions. All candidate questions and City responses will be posted on the website for reference throughout the election period.
