

Council Candidate Q&A Transparency Posting

Posting No. 2

To ensure transparency and provide equal access to information for all candidates, the City is posting the following question received from a candidate, along with the City's response. This information is shared exactly as provided so that all candidates have the same access to City resources and clarification.

QUESTION SUBMITTED:

The Candidate Orientation website states \$195 maximum contribution limit for Ward candidates (<https://dublinohiousa.gov/candidate-orientation/>). However, the Dublin Code Sections – Campaign Finance Limits and Disclosure Section 31.07 Campaign Contribution Limits states \$185 (<https://dublinohiousa.gov/alpha/wp-content/uploads/2024/06/Code-Sections-Campaign-Finance-Limits-and-Disclosure.pdf>). Can you please confirm which is correct for the 2025 election year.

CITY RESPONSE:

The website is correct. The City passed Ordinance 90-21 in 2021, which requires contribution limits to be adjusted for inflation in each election year. For the 2025 election cycle, the maximum contribution limits are:

- \$195 for Ward candidates*
- \$325 for At-Large candidates*

The Code Section referenced will be updated to include the most up-to-date information.

NOTE:

The City of Dublin provides factual responses to questions from all candidates. Responses are limited to information that is publicly available and do not include campaign advice, strategy, or opinions. All candidate questions and City responses will be posted on the website for reference throughout the election period.
