

## Council Candidate Q&A Transparency Posting

### Posting No. 3

To ensure transparency and provide equal access to information for all candidates, the City is posting the following question received from a candidate, along with the City's response. This information is shared exactly as provided so that all candidates have the same access to City resources and clarification.

#### QUESTION SUBMITTED:

*Question about In-Kind Donations - if a restaurant donates food for an event, the total food value needs to stay under \$195, is that correct?*

#### CITY RESPONSE:

*That is correct. In addition to being able to accept in-kind contributions up to the \$195 limit to host an event, those contributions must be reported on the disclosure statement. Accepting this contribution would also mean you have reached the maximum allowable in-kind contributions from that restaurant for the remainder of the cycle.*

#### NOTE:

The City of Dublin provides factual responses to questions from all candidates. Responses are limited to information that is publicly available and do not include campaign advice, strategy, or opinions. All candidate questions and City responses will be posted on the website for reference throughout the election period.
