This statement is in addition to any reports or statements that candidates must file as required by Ohio Revised Code Section 3517.10 and can be a copy of the disclosure forms provided by the Secretary of State.

Each disclosure statement shall include a list of each contribution received, all in-kind contributions, and the name and address of each donor, an aggregate total of all contributions and in-kind contributions received. The statements shall also include a list of each expenditure of contributions made during the campaign period, and the recipient of each expenditure.

Each report will be published on the City's website.

Any candidate or campaign committee that fails to file a required report or fails to provide any information required in any such report is guilty of a third degree misdemeanor.

In addition to these requirements, Section 31.07 of the Dublin Codified Ordinances establishes limits regarding the amount that may be accepted in campaign contributions or in-kind contributions combined from any person, political action committee, separate segregated fund, political contributing entity, campaign committee, political party or other organization per calendar year. The current limits for ward and at-large candidate campaigns are published on the City's website or by contacting the Clerk of Council.
