7200 Cardinal Place - Use of Building Details

Ms. Rauch,

In regard to how Dublin City Schools (DCS) currently plans on using the 7200 Cardinal Place.

- The space will be used to educate high school aged students.
- The learning environment, including coursework and programming, will be similar to what is currently being done at Emerald Campus (5175 Emerald Parkway).
- The number of students at any one time will be dependent upon course offerings. At no time will the school exceed code capacities.
- The projected bell schedules would range from 7:00 AM to 3:00 PM during the school year.
- The primary source for student transportation in and out of the building would be provided by DCS bus service.
- The building will have a functioning kitchen with a certified food vendor to provide student and staff breakfast and lunch.
- At this time, it is anticipated the building may have a phased opening (floor by floor), dependent upon future community levy results.

If you require further information, please let me know.

Thank you,  
Jeff Stark  
Chief Operating Officer
