1. Paint Color Change Request

Body Paint Color Change

This is a request for a body paint color change from Sherwin Williams SW7017 Dorian Gray to Sherwin Williams SW7069 Iron Ore for body of building.

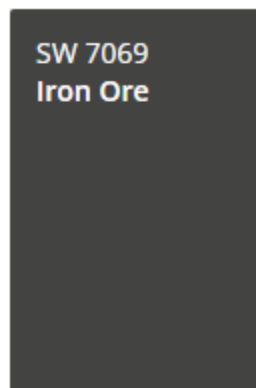

Color samples are attached and can also be found on page 22 of the City of Dublin Fundamental Neutrals Historical Colors collection. (13.0 Sherwin Williams - Historic Exterior Collection)

The trim remains the same color Sherwin Williams Tricorn black.

This proposed request in body paint color blends well and complements with adjacent neighbors of a dark green @ 83 S. High St. and a light cream color @ 91 S. High St.

Collaborating with the neighbors on this change accommodates all our interests in choosing historic complementary colors.

Collectively we are interested in adding value and maintaining the historic character and have received extremely positive feedback on this color request from neighbors and other individuals.
