Dog Parks

Nando's Dog Park at Darree Fields

6259 Cosgray Road

The dog park is completely fenced, with areas for large and small dogs and a water supply. Dogs may be off-lead.

Glacier Ridge Dog Park

9801 Hyland-Croy Road

The 2.5-acre fenced-in dog park features an open field, drinking fountains, paved paths and wooded areas for dogs of all sizes to explore.

Pets are Welcome in All City Parks and Open Spaces

Animals may not run at large in our parks. All animals must always be under the owner's control. All pets must be securely leashed, kept in a vehicle or suitably caged. Animal owners also must pick up and properly dispose of any fecal matter left by their pets. It's not just courteous — it's the law!

Additionally, dogs must be kept under control if they are walking elsewhere in the City off-leash, such as on a neighborhood sidewalk. Animal owners also must pick up and properly dispose of any fecal matter left by their pets. It's not just courteous — it's the law!

Horses

Horses are permitted in designated areas of Glacier Woods Metro Park

Glacier Woods Metro Park

9801 Hyland-Croy Rd, Plain City, OH 43064

614.216-8859

Hunting and Fishing

For the safety of our residents, hunting is forbidden in the City. Fishing is permitted in designated areas, including certain City park ponds and in the Scioto River (with a license). Please fish only in ponds where signs prohibiting fishing are not posted.
