scarborough™

Scarborough was designed for the urban landscape. It is street smart, yet sophisticated. Lighthearted, but a true heavyweight in its class.

The Scarborough bench scribes a controlled curve on seat and back, then tempers restraint with the exuberant gesture of its arm. The serif-like details on back frames and feet elegantly cap the linear forms and lend a whimsical touch.

Scarborough is welcoming and comfortable in two versions. The horizontal strap seat is clean and simple. The woven seat suggests the familiar strapping fabric of patio furniture. The patented design is assembled as a warp and weft construction of pre-formed parts. The backless Scarborough bench can be used from either side and is ideal for narrow spaces. Litter receptacles with strap or square bar vertical panels are nicely scaled to the bench and the human form. Scarborough transcends categories. It is remarkably durable not only in the way it wears but in the way it remains current over time.

## Our Purpose Is To Enrich Outdoor Spaces

We believe in the power of design and its ability to influence and elevate the quality of public space. High quality products and outstanding customer experience makes us one of the world's premier designers and manufacturers of outdoor commercial furnishings.

### Scarborough™ Specifications

#### Bench

Woven and horizontal strap seat styles may be specified for backed or backless benches. Backed benches are offered in 24", 48", 72", or 96" lengths. Backless benches are offered in 48", 72", or 96" lengths. Center arm may be specified on backed or backless benches in 48", 72", or 96" lengths. Bench in 96" length available with two intermediate arms.

center arm

Support end frames are 1" x 1" solid steel, joined by 1-1/2" dia., .120" wall thickness tubular steel. Seating panels are horizontal steel straps (1-1/2" x 3/16") or woven stainless steel straps (1-1/2" x 1/8"). Scarborough bench comes standard with surface/freestanding mount support.

#### backed horizontal strap

#### backless horizontal strap

#### Finishes

Metal is finished with Landscape Forms' proprietary Pangard II® polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading. Call for standard color chart.

#### To Specify

**Bench:** Specify backed or backless, bench length, horizontal strap or woven seat style, with or without center/intermediate arm, and powdercoat color.

**Litter receptacle:** Select top- or side-opening, vertical strap or square bar side panel, powdercoat color. If optional powdercoat color is specified, select standard powdercoat color for liner. Options: keyed lock; ash pan on side-opening units.

#### Litter Receptacles

Metal support legs are 1" x 1" square. Vertical metal straps are 1-1/2" x 3/16". Vertical metal bars are 3/8" x 3/8" square. Straps and bars are welded to metal bands. Tubular steel collar is 1-1/4" dia., .120" wall thickness. Tops are formed of spun metal. Pop-up rod is stainless steel. Receptacles have 30-gallon capacity. Polyethylene liner color coordinates with standard powdercoat offering. Receptacles are standard with freestanding/surface mount support. Ash pan on side-opening units and keyed lock options are available.

## Product Data Sheet

### Litter Receptacles

- Scarborough™ receptacles are durably constructed of metal side panels and a spun metal top to meet the demands of active public spaces.
- Choose from vertical strap or square bar side panels.
- Top- or side-opening receptacles may be specified.
- The receptacle lid lifts up and swings to the side for easy litter removal.
- Litter can be specified as a single or dual use receptacle.
  - For single use, select one opening style and signage (optional)
  - For dual use select two opening styles and signage. Dual purpose units come with divider installed in liner.
- An optional keyed lock may be added for security, and an optional ash pan may be specified for the side-opening receptacle.
- The 30-gallon polyethylene liner coordinates with specified powdercoat color.
- Receptacles are standard with a freestanding/surface mount option.
- Metal support legs are 1" x 1" square.
- Vertical metal straps 1-1/2" x 3/16".
- Vertical metal bars are 3/8" square.
- Straps and bars are welded to metal bands.
- Tubular steel collar is 1-1/4" dia., 0.120" wall thickness.
- Tops are formed of spun metal.
- Pop-up rod is stainless steel.

### Finishes

- Metal is finished with Landscape Forms' proprietary Pangard II® polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading.
- Call for standard color chart.

### To Specify

- Bench: Specify backed or backless, bench length, horizontal strap or woven seat style, with or without center/intermediate arm, and powder coat color. Bench comes standard with a freestanding/surface mount.
- Litter receptacle: Select top or side opening, vertical strap or square bar side panel, and powdercoat color. If certain color is specified select standard color for liner (see Materials for offerings). Select single or dual use and optional signage.
- Other options: keyed lock; ash pan on side-opening units.
