

# Historic Dublin is the Heart of Our Community

**Thank you** for your stewardship of your District property!

Here are some reminders:

- Dublin has a defined Historic District shown on the other side of this flyer, as well as outlying historic properties.
- The City's regulations to protect these resources can all be found on our **one-stop webpage** <https://dublinohiousa.gov/historic-dublin-resources/> .
- The Architectural Review Board is composed of preservation experts and community members, appointed by City Council who review and approve requests for properties, building modifications, and demolitions, including historic walls.
- Recent upgrades to our Code allow many more Administrative Approvals (including signs) plus guidance for Background buildings. Check it out!

We **greatly appreciate** your care of these important resources, and you play an important part in keeping the character of Dublin intact for both current and future residents. Should you have any questions about your property, its uses, potential changes or restoration resources, please contact us directly.
