

**ADDENDUM NO. 1
to the RFP for**

**CA/CI RFP-Northern Historic District Infra. Impv. 25-029-CIP
25-029-CIP**

RFP Due Date: January 20, 2026

TO PROSPECTIVE CONSULTANTS: The following changes shall be made part of the contract documents for this project:

Question: Could you provide additional clarification on the requirements you are looking for the Asphalt Level 2 position? Are you looking for an actual asphalt lab tech to run lab testing (rice, voids, density etc.), or are you looking for a plant monitor, or both?

Answer: The Level 2 Asphalt QC certification is desired for any required asphalt testing performed by laboratory personnel. Asphalt installed with the project should be following the CMSC 448 specification.
